1. The General Assembly will assume the supervision and control of the Western Foreign Missionary Society, from and after the next annual meeting of said Assembly, and will thereafter superintend and conduct, by its own proper authority, the work of foreign missions of the Presbyterian church, by a board especially appointed for that purpose, and directly amenable to said Assembly.—And the Synod of Pittsburg does hereby transfer to that body all its supervision and control over the missions and operations of the Western Foreign Society, from and after the adoption of this minute; and authorizes and directs said Society to perform every act necessary to complete said transfer, when the Assembly shall have appointed its board, it being expressly understood that the said Assembly will never hereafter alienate or transfer to any other judicatory or board whatever, the direct supervision and management of the said missions, or those which may hereafter be established by the Board of the General Assembly.

James Wharey, not being present, he had at the commencement of the Assembly, taken his seat as a member, and that Mr. Wharey had now arrived, having been detained in the Providence of God. Mr. Mitchell moved that he have leave to resign his seat in favour of Mr. Wharey. It was then moved and carried, that under the peculiar circumstances of the case, the standing rule be dispensed with, and that Mr. Wharey be admitted a member in the place of Mr. Mitchell.

That until within the last five or six years, it was the practice to use so much of the permanent missionary fund as was needful to defray the contingent expenses of the Assembly. At that time, however, it was decided to be incompatible with the original design of that fund, since which time no such appropriation of it has been made, and in the opinion of this Assembly, no such appropriation should be made.

The committee appointed by the last Assembly, on the subject of slavery, made a report, which was accepted, and is as follows, viz.

The committee to whom were referred, by the last General Assembly, sundry memorials and other papers touching the subject of slavery, with directions to report thereon to the General Assembly of 1836, beg leave to report—

That, after the most mature deliberation which they have been able to bestow on the interesting and important subject referred to them, they would most respectfully recommend to the General Assembly the adoption of the following preamble and resolutions, viz.

Whereas, the subject of slavery is inseparably connected with and regu-

lated by the laws of many of the states in this Union, with which it is by no means proper for an ecclesiastical judicatory to interfere; and involves many considerations, in regard to which great diversity of opinion and intensity of feeling are known to exist, in the churches represented in this Assembly: and whereas, there is every reason to believe that any action on the part of the Assembly in reference to this subject, would tend to distract and divide our churches, and would, probably, in no wise promote the benefit of those whose welfare is immediately contemplated in the memorials in question—therefore,

1. Resolved, That it is not expedient for the Assembly to take any further order in relation to this subject.

2. Resolved, That, as the *notes* which have been expunged from our public formularies, and which some of the memorials referred to the committee, request to have restored, were introduced irregularly—never had the sanction of the church—and therefore never possessed any real authority, the General Assembly has no power to assign them a place in the authorized standards of the church, and does not deem it proper to take the constitutional measures for effecting their restoration.

The consideration of the above report was made the order of the day for Monday morning next at 10 o'clock.

The Rev. James H. Dickey, one of the committee on slavery, who dissented from the above report, made a counter report, which is as follows:

The minority of the committee to whom were referred sundry petitions and memorials on the subject of slavery, which had been presented to the last Assembly from different parts of the church, have had that subject under consideration, and beg leave to lay before the present Assembly the result of their deliberations.

Since the last Assembly, the discussions on the subject of slavery have been conducted in a spirit of extreme excitement, and a strong reckless feeling of party zeal has manifested itself in some places, even within the pale of the church; and sentiments have been avowed which are at war with the genius of our government, and strike at the very foundations of our civil and religious liberties. It appears to us, after the most dispassionate review of the whole subject, of which we are capable, that, at such a time as this, when sentiments are advanced, and claims are set up, so inconsistent with the civil and religious rights of the poor, and with the long settled and expressed doctrines of the Presbyterian church, if the Assembly should altogether hold their peace, (especially after the pledge given year before last to our brethren in Scotland,) they would be recreant to the cause of truth and mercy, false to their brethren, and unfaithful to Him who has set them as watchmen on Zion's wall, and commanded them to cry aloud and not spare. We, therefore, propose the following as the declaration of the Assembly on that subject.

The General Assembly of the Presbyterian church in the United States of America, continue to declare their unwavering and undiminished attachment to those principles of liberty, which are so clearly expressed in the Declaration of Independence, and in the federal and state constitutions of these United States. They do unhesitatingly believe that *all men* are by nature free and equal, and are endowed by their Creator with certain unalienable rights, among which are life, liberty, and the pursuit of happiness.

We rejoice to know that Presbyterians have been, from time immemorial, the advocates and defenders of civil and religious liberty. The Puritans of England, and the Reformers of Scotland, from whom we claim to be descended, were the uncompromising opposers of tyranny, and

waded through seas of difficulty, and were baptized with their own blood, for centuries, to achieve liberty. And when they could not enjoy it in Europe, they fled to the wilds of America, and braved the dangers and the toils of settling a new world, that they might there enjoy the blessings of liberty, which they had in vain struggled to obtain in the land of their fathers. To this new world they brought the seeds of those liberal sentiments which produced the Revolution; and which have been embodied in the constitutions of these confederated republics, where we live and enjoy so many privileges.

These sentiments have been avowed by several former Assemblies; and this Assembly are cordial in the declaration, that every peaceable member of society ought to be protected in the full and free exercise of his religion, it being his indefeisible, inalienable right, to worship God according to his understanding of the sacred oracles. The Assembly have also from time to time expressed unfeigned regret, that a state of things inconsistent with the above expressed sentiments, should obtain in any part of our country. The slavery of the Africans and their descendants not only continues, but is becoming more and more deeply rooted in the land, and intimately incorporated with the very frame of civil society; and even within the pale of the church, it begins to claim a lodgment, not by indulgence merely, but as of right.

The hope has been indulged and expressed by former Assemblies, that a state of things so inconsistent with the maxims of Christianity would yield to the light of Divine truth, and be destroyed by the brightness of the Gospel, without the direct exercise of discipline; and hence the church has been exhorted to the exercise of patient forbearance toward those who were entangled in its snares. But, instead of realizing that hope, the church has found herself more deeply involved in its toils, and, in some parts, in danger of being crushed in its folds. Inasmuch, then, as past forbearance has been used, not to put away the evil, but to give it strength, fortify its positions, and spread a shield around it to defend it against the shafts of divine truth; it seems, therefore, needful and incumbent that the church take a more firm and decided stand on this subject.

Slavery, similar to that which exists in the United States, prevailed extensively in the heathen world, when the Gospel was first published; but it was destroyed, with all the other institutions of Heathenism, by the power of primitive Christianity; whereas instead of declining, it has attained a fearful maturity, under our administrations;—a sure evidence that we have not treated it as the Apostles and primitive Christians did.

Instead of being based on the same foundation as the other relations of life, "slavery creates a paradox in the moral system." It exhibits moral, accountable, and immortal beings, as mere chattels—things of bargain and sale—scarcely possessing the power of moral action. It holds them who were created, equally with ourselves, lords of this world, to be mere appendages to the existence and comfort of another. It breaks in upon all the divinely constituted relations of life, and violates their claims. Under its rule the marriage relation—the source of all others, cannot exist; and, in its stead, is introduced a debasing and corrupting system of universal concubinage. It forbids children to honour and obey their parents, and renders it impossible for parents to train up their children according to the divine direction. It deprives female chastity of its protection, and opens the floodgates of licentiousness. In a word, it violates the claims of all the social relations of God's appointment, and puts the property, the morals, and even the life of the

slave, in the power of the master. It is, therefore, an institution, contrary to nature—unsanctioned by the divine law of love. The authority it claims is usurpation, and the subjection it demands is unreasonable. The whole system is at war with the divine institutions. It is therefore *sin—essentially* SIN—and all its claims are founded in injustice. Its withering influence, and its ruinous effects, are seen, felt, and acknowledged, wherever it has obtained a footing.

"Such," to use the language of the Assembly of 1818, "is the character, and some of the consequences of slavery—consequences not imaginary, but which connect themselves with its very existence." God declares himself to be the friend and protector of the *stranger*, the *widow*, and the *fatherless:* but every black man in the United States is a stranger (an alien)—every slave-mother is a widow (destitute of the guardianship of a husband)—and all her children are fatherless. God has placed his church in the world to be a light to the world, and he requires her to set a good example. And how much soever the world may affect to despise the church, it has always taken its standard of morals from her. And no evil can long maintain its hold in society, against which the church continues to bear a clear and consistent testimony. Hence the manifest equity of the divine maxim, that judgment should begin at the house of God.

God's express command is, "Open thy mouth for the dumb, in the cause of all such as are appointed to destruction. Open thy mouth, judge righteously, and plead the cause of the poor and needy." (Prov. xxxi. 8, 9.) It is then plainly the duty of all ecclesiastical bodies, in their associated capacity, as well as of every minister and elder, and every private member of the church, to hold up a most decided, consistent, and persevering testimony against the crying sin of *slavery*. Therefore, as the sense of this Assembly, resolved,

1. That the buying, selling, or holding of a human being as property, is, in the sight of God, a heinous sin, and ought to subject the doer of it to the censures of the church.

2. That it is the duty of every one, and especially of every Christian who may be involved in this sin, to free himself from its entanglements without delay.

3. That it is the duty of every one, and especially of every Christian, in the meekness and firmness of the gospel, to plead the cause of the poor and needy, by testifying against the principle and practice of slave holding; and to use his best endeavours to deliver the church of God from this evil; and to bring about the emancipation of the slaves in these United States and throughout the world.

The minutes of the last session were read.

The committee of commissions reported as an additional member, John Ingram, M. D., a ruling elder from the Presbytery of Western District.

The Assembly spent the forenoon in public religious exercises, agreeably to the report of the committee of arrangements.

The annual report of the Directors of the Union Theological Seminary was read and accepted, and ordered to be printed in the appendix to the minutes.

The committee to whom was referred the report of the committee on the transfer of the Western Foreign Missionary Society, and an overture on the same subject from the Synod of Philadelphia, made a report, which was accepted, and is as follows:

The committee to whom was referred the report of the committee appointed by the last Assembly on the subject of a transfer of the supervision of the Western Foreign Missionary Society to the General Assembly, and also the overture from the Synod of Philadelphia, on the subject of foreign missions, report—That the attention of the last Assembly was called to the subject of foreign missions by the following overture, viz. on page 31 of printed minutes: "That it is the solemn conviction of this General Assembly, that the Presbyterian Church owes it, as a sacred duty to her glorified Head, to yield a far more exemplary obedience, and that in her *distinctive* character as a church, to the command which he gave at his ascension into Heaven—'Go ye into all the world and preach the Gospel to every creature.' It is believed to be among the causes of the frowns of the great Head of the Church, which are now resting on our beloved Zion, in the declension of vital piety, and the disorders and divisions that distract us, that we have done so little—comparatively nothing—in our distinctive character as a Church of Christ, to send the Gospel to the Heathen, to the Jews, and the Mahomedans.

It is regarded as of vital importance to the welfare of our church, that foreign as well as domestic missions should be more zealously prosecuted, and more liberally patronized; and that as a nucleus of foreign missionary effort and operation, the Western Foreign Missionary Society should receive the countenance, as it appears to us to merit the confidence, of those who cherish an attachment to the doctrines and order of the church to which we belong."

The Assembly feeling the force of the suggestions contained in this overture, and believing it to be their most important and appropriate work, to spread the Gospel throughout the world, adopted the overture in the form of a resolution, together with the following, viz.

"Resolved, That a committee be appointed to confer with the Synod of Pittsburg on the subject of a transfer of a supervision of the Western Foreign Missionary Society, now under the direction of that Synod; to ascertain the terms on which such transfer can be made; to devise and digest a plan of conducting foreign missions under the direction of the General Assembly of the Presbyterian church; and report the whole to the next General Assembly."

Thus it appears, that the proposition to confer with the Synod, and to assume the supervision and control of the Western Foreign Missionary Society, originated in the Assembly.

At that time the Western Foreign Missionary Society was in a prosperous condition, enjoying the confidence and receiving the patronage of a considerable number of our churches, having in their employ about twenty missionaries, and their funds were unembarrassed. The committee having conferred with some of the members of that society, and finding that the proposition was favourably regarded by them, indulging the hope that an arrangement might be definitely made with the Synod, at their next stated meeting, by which the Assembly would be prepared to enter on the work at their present sessions, brought the subject again before the Assembly, when it was, after mature deliberation,

"Resolved, That the committee appointed to confer with the Synod of Pittsburg, on the subject of a transfer of the supervision of the Western Foreign Missionary Society to the General Assembly, be *authorized*, if they shall approve of the said transfer, to ratify and confirm the same with the said Synod, and report the same to the next General Assembly." —p. 33.

The committee thus appointed, and clothed with full powers to ratify and confirm a transfer, submitted the terms on which they were willing to accept it, to the Synod of Pittsburg, at their sessions last Fall.

The members of the committee not being present at the meeting of the Synod, and there being no time for further correspondence, the Synod, (although they would have preferred some alterations of the terms,) were precluded from proposing any, on the ground that such alteration would vitiate the whole proceedings, and therefore acceded to the terms of the transfer which were *proposed* by the committee of the Assembly, and solemnly ratified the contract on *their part*. Feeling themselves bound by the same, and trusting to the good faith of this body, they have acted accordingly, and have made no provision for their missionaries now in the field, for a longer time than the meeting of this Assembly, having informed them of the transfer which has taken place, and of the new relation they would sustain to this body after their present sessions.

It appears then to your committee, that the Assembly have entered into a *solemn* compact with the Synod of Pittsburg, and that there remains but one righteous course to pursue, which is to adopt the report

of the committee appointed last year, and to appoint a Foreign Missionary Board. To pause now, or to annul the doings of the last Assembly in this matter, would be obviously a violation of contract, a breach of trust, and a departure from that good faith which should be sacredly kept betweeen man and man, and especially between Christian societies —conduct which would be utterly unworthy of this venerable body, and highly injurious to the Western Foreign Missionary Society.

The committee beg leave further respectfully to remind the Assembly, that a large proportion of our churches (being Presbyterians from conviction and preference,) feel it to be consistent not only, but their solemn duty in the sight of God, to impart to others the same good, and in the same form of it which they enjoy themselves, and to be represented in heathen lands by missionaries of their own denomination. They greatly prefer such an organization as this contemplated, and which shall be under the care of the Presbyterian church, and cannot be enlisted so well in the great and glorious work of sending the Gospel to the Heathen under any other. Already, with the blessing of the great Head of the church on the efforts of the Western Foreign Missionary Society, in this form of operation, has a missionary spirit been awakened among them to considerable extent, and an interest in the cause of missions been created never before felt by them. They have furnished *men* for the work, and are contributing cheerfully to their support in the foreign field.

As one great end to be accomplished by all who love the Redeemer, is to awaken and cherish a missionary *spirit*, and to enlist all the churches in the work of evangelizing the world; as every leading Christian denomination in the world, has its own foreign missionary board, and has found such distinct organization the most effectual method of interesting the churches under their care, in this great subject; as such an organization cannot interfere with the rights or *operations* of any other similar organization, for the field is the world, and is *wide* enough for all to cultivate; as it is neither desired nor intended to dictate to any in this matter, but simply to give an opportunity of sending the Gospel to the Heathen, by their own missionaries, to those who prefer this mode of doing so, giving them that liberty which they cheerfully accord to others—your committee cannot suppose for a moment that this General Assembly will in this stage of the proceedings refuse to consummate this arrangement with the Synod of Pittsburg, and thus prevent so many churches under their care from supporting their missionaries in their own way. From this view of the case, they recommend to the Assembly the adoption of the following resolutions, viz.—

1. Resolved, That the *report* of the committee appointed by the last Assembly, to confer with the Synod of Pittsburg on the subject of a transfer of the Western Foreign Missionary Society to the General Assembly, be adopted, and that said transfer be accepted on the terms of agreement therein contained.

2. Resolved, That the Assembly will proceed to appoint a Foreign Missionary Board, the seat of whose operations shall be in the city of New York.

The above report was made the order of the day for to-morrow morning at 9 o'clock.

Nominations were made to fill the vacancies in the Board of Missions; and the election was made the order of the day for to-morrow afternoon at 3 o'clock.

The committee to whom was referred the proceedings of the Presby-

tery of Bedford, in the case of Mr. Alexander Leadbetter, reported that they find the proceedings of that Presbytery to have been regular, according to the rules of the General Assembly, provided in the case of receiving a foreign minister or licentiate; and having examined all the papers and credentials of Mr. Leadbetter, which were submitted to the Presbytery, they find them to be credible, and sufficient; and recommend that his reception by the Presbytery of Bedford, be approved by the General Assembly.

This report was adopted.

The case of Mr. Barnes was resumed.

The following papers were offered, and ordered to be entered on the minutes, viz.—

I offer to the Assembly the paper called "an appendix," as the records furnished by the Presbytery in my case, and request that it may be read, as containing evidence which I deem important, which was before the Presbytery, and which was not before the Synod.

Albert Barnes.

The prosecutor in the case of Mr. Barnes, and the committee appointed by the Synod of Philadelphia to defend their decision in the same case, hereby agree to the introduction of the document entitled "an appendix, &c." Not, however, as a part of the records of the inferior judicatory, but as testimony adduced by the appellant to substantiate any statements which he has made, or may yet make.

George Junkin.

S. G. Winchester,
G. W. Musgrave,
David M'Kinney,
} *Committee of Synod of Philadelphia.*

I object to the paper book, called an "appendix, &c.," being read as a part of record. 1. Because it is not, nor does it profess to be the original record, or a transcript of the same. 2. Because it is not a full and true history of the case, nor does it profess so to be, page 1. 3. Because the omission of it in the record can do injustice to no party, inasmuch as no objection will be made to Mr. Barnes using the parts here transcribed, or any other parts of his Notes on Romans, as originally published, on this trial. 4. Because the admission of a defective record would not be according to truth, and would therefore be injurious to the prosecutor.

George Junkin.

The document called "the appendix numbered from pp. 1 to 58, inclusive, containing the trial, testimony of the parties Junkin and Barnes, and final decision of the Second Presbytery of Philadelphia, in the said case of Junkin and Barnes," was read.

Dr. Skinner, one of the committee, who dissented from this report, made a counter report, which was read, accepted, and is as follows:

Whereas, the American Board of Commissioners for Foreign Missions, has been connected with the Presbyterian church from the year of its incorporation, by the very elements of its existence; and whereas at the present time the majority of the whole of that board are Presbyterians; and whereas, as it is undesirable, in conducting the work of Foreign Missions, that there should be any collision at home or abroad; therefore,

Resolved, That it is inexpedient that the Assembly should organize a separate Foreign Missionary Institution.

A motion was made to adopt the report of the committee; after considerable discussion, a motion was made to postpone the motion for adoption of the committee's report, with a view to take up the report of Dr. Skinner. While this motion was under discussion, the Assembly adjourned till this afternoon at half past 2 o'clock.

The Assembly resumed the appeal of Mr. Barnes.—Mr. Barnes was further heard in support of his appeal, until 10 o'clock; when the order of the day, viz. the report of the committee on the subject of Slavery, was postponed, to be taken up immediately after the issue of the appeal of Mr. Barnes, and Mr. Barnes continued in support of his appeal, until the time of adjournment.

Adjourned till this afternoon, at 3 o'clock.

MONDAY afternoon, 3 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

The committee of overtures reported overture No. 17. viz. A communication from the Presbytery of Ebenezer, on the subject of changing the time of holding the monthly Concert, from the first Monday to the first Sabbath in the month, which overture was committed to Mr. D. S. Todd, Mr. Curry, and Mr. Glassel.

The Assembly resumed the appeal of Mr. Barnes, and he was further heard in support of his appeal, until he finished.

The committee on mileage made the following report, viz.

The committee on mileage report, that the contributions paid to the Treasurer of the Trustees of the General Assembly for the Commissioners' Fund of the current year, amount to one thousand and sixty-six dollars and twenty-two cents; and that the number of miles travelled by the commissioners, who have given in their mileage, is thirty-two thousand eight hundred and twenty-seven; which at $3\frac{1}{4}$ cents per mile,

amounts to $1,066,88. The committee therefore respectfully recommend to the General Assembly, the adoption of the following resolution, viz.

Resolved, That the Treasurer of the Trustees of the General Assembly be directed to pay to the commissioners, entitled to the commissioners' fund, the sum of $1,066,88, being at the rate of 3¼ cents per mile on the distance travelled by them.

TUESDAY morning, May 31st, half past 8 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

The committee to whom was referred overture No. 3, being the application of the Presbytery of Morganton, for a donation to that body of the lands belonging to the Assembly, situate in Buncombe county, in the State of North Carolina, made the following report, which was adopted; viz.

That the lands referred to are a moiety of 20,000 acres, bequeathed to the Trustees of the Assembly by the late Dr. Boudinot; that the committee have not been able to ascertain the precise terms of the devise, not having access to the will, but suppose the lands were given for the general fund of the Church; and if such were the case, the committee believe the Assembly would not be warranted in granting them to one of the Presbyteries under their care; that it would be establishing a precedent, which might be very injurious in its consequences, for the Assembly to distribute *any portion* of its general and permanent funds, to its component and constituent parts.

The committee therefore recommend that the request of the Presbytery be not granted.

The Presbytery asking the grant, assign as a reason therefor, that the land had never contributed any thing to the interests of the Church; but has been an expense and burden, inasmuch as taxes have been regularly paid for it out of the funds of the Church.

They also represent that some portions of the lands have been lost in consequence of adverse claimants, who have entered upon the lands, and who hold them by possession. The committee also have learned from the Treasurer of the Board of Trustees, that a fund of $400, was bequeathed to the Trustees for the payment of the taxes on these lands, and that the accumulated interest upon that fund now amounts to more than $400.

The committee would therefore recommend the adoption of the following resolutions.

Resolved, 1. That the Trustees of the Assembly be advised and requested, if it be in accordance with the object for which the lands were given, and not in contravention of the terms of the bequest, to dispose of the said lands in such manner, and upon such terms, as to them may seem most expedient.

2. That they be requested to appoint immediately an efficient agent,

if one can be procured, who shall examine the situation of the lands, and that they be requested to report their proceedings herein, and the situation of the lands, with their annual report to the next General Assembly.

The committee to whom was referred overture No. 14, on the subject of a new Digest, made the following report, which was adopted; viz.

That as the want of a new Digest has been felt and expressed by many brethren; as the minutes of the Assembly have now become too voluminous, to be conveniently carried to the places of meeting of the several judicatories; as it is impossible now to supply our ministers and elders with entire sets of the minutes; and as arrangements may be made for the publication of a new Digest, without any expense to the Assembly, they therefore recommend to the Assembly the following resolutions for adoption; viz.

1. Resolved, That in the judgment of this Assembly, it is expedient that a new Digest of the acts and proceedings of the highest judicatory of our church, be prepared and placed within the reach of all our ministers and elders.

2. Resolved, That Dr. John McDowell, Mr. Winchester, and Mr. Duffield be a committee to prepare such a Digest, and report the same to the Assembly, as soon as practicable, provided the expense of its publication be not defrayed out of the funds of the Assembly.

Adjourned till to-morrow morning at half past 8 o'clock.

WEDNESDAY morning, June 1st, half past 8 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

Agreeably to the order of the day, the Assembly proceeded to receive the reports of committees on Synodical records.

The committee on the records of the Synod of Albany reported, that the records have not been put into their hands. The committee were discharged.

The committee on the records of the Synod of Michigan reported, and the records were approved.

The committee on the records of the Synod of New York reported, and their report was laid on the table.

The committee on the records of the Synod of New Jersey reported, and the records were approved, with the exception of the absence of the clerk's signature.

The Assembly postponed the further prosecution of the order of the day at present, and resumed the unfinished business of last evening. Dr. Junkin continued in support of the charges against Mr. Barnes, until the adjournment.

Adjourned till this afternoon at half past 2 o'clock.

Concluded with prayer.

WEDNESDAY afternoon, half past 2 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

The committee appointed on overture No. 13, containing two inquiries from the Presbytery of Erie, made the following report, which was adopted, viz. That the first inquiry, which is in these words, "Can a minister, with one elder, form a session capable of transacting judicial business?" is sufficiently answered in the Constitution, Form of Government, Chap. ix. sect. 2, where it seems to be implied that cases may occur with infant or feeble churches, in which it would be impracticable, for a time, to have more than one elder, and yet be necessary to perform acts of a judicial character. For such the Constitution provides; but if there be more than one elder, then two at least, with a minister, are necessary to form a session.

That the second inquiry in said overture, viz. "When an elder has been suspended from church privileges, for an offence, and again restored to the privileges of the church, is he also restored to his office as a ruling elder?" should be answered in the negative. The two things are distinct; and since an elder as well as a minister may be suspended from his office, and not from the communion of the church, so there may be reasons for continuing his suspension from his office, after he is restored to the privileges of the church. He cannot be restored to the functions of his office, without a special and express act of the session for that purpose, with the acquiescence of the church.

The committees appointed on the records of the Synods of Ohio, Indiana, Utica, Western Reserve, Missouri, Mississippi, Virginia, Tennessee, West Tennessee, Kentucky, Genesee, Pittsburg, and Illinois, reported; and the records were respectively approved.

The committees on the records of the Synods of Philadelphia and Cincinnati reported respectively, and their reports were laid on the table.

The committees on the records of the Synods of Geneva, Alabama, South Carolina and Georgia, and North Carolina, reported respectively, that the records have not been put into their hands; and the committees were discharged.

The Assembly resumed the appeal of Mr. Barnes. Dr. Junkin was further heard in support of the charges, until he finished.

Mr. Barnes then replied, and Dr. Junkin rejoined.

Adjourned till to-morrow morning at half past 8 o'clock.

Concluded with prayer.

THURSDAY morning, June 2d, half past 8 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

The committee to whom was referred the resolution respecting the Synods of Virginia and North Carolina withdrawing at such time and in such manner as they may deem proper, the moneys belonging to the Union Theological Seminary, now in the hands of the Board of Trustees of this Assembly, made the following report, which was adopted; viz. That whereas the moneys in question were collected by the agency, and mainly within the bounds of those Synods; and whereas it is believed that they may be safely invested in the South at a much higher rate of interest than they now bear; therefore, resolved, that whenever the Synods of Virginia and North Carolina shall indicate the desire abovementioned, to the Trustees of the General Assembly, the said Trustees be, and they hereby are authorized, to transfer the funds referred to.

Nominations were made for persons to fill the vacancies in the Board of Education; and the election was made the order of the day for tomorrow morning at 9 o'clock.

The committee to whom was referred the report of the Trustees of the General Assembly, in relation to the funds of the church, made the following report, which was adopted; viz.

That they have endeavoured to give the important subject committed to them the consideration which it demanded; that, in the discharge of their duties they have examined the books of the treasurer, and find them in perfect order, exhibiting all the different funds of the church in a clear and perspicuous manner; that difficulties and perplexities, which had arisen from the fact, that for many years the treasurer's books had not been posted up, are removed, and the books and accounts now show the transactions of the Board, in the management of the funds of the church, in their proper light.

During the past year, important changes have been made by the Trustees in some of the funds. Under the suggestions made by a previous General Assembly, the Board have made new, and much more productive investments, and by means thereof, have not only been able to meet the annual appropriations for the professors' salaries, and to pay the arrears of salaries; but have also paid off $2,671 09, of the moneys previously borrowed from the permanent funds, to meet the orders of the Assembly.

Of this sum, $700 have been repaid to the ED Scholarship. The Directors of the Princeton Seminary, whose report was also referred to your committee, have called the attention of the Assembly to that Scholarship, and in relation thereto the committee have only to observe, that in their opinion, the loan which was made from that fund ought to be repaid by the Trustees as soon as the state of the funds will admit, and that in future no loans ought to be made from the permanent funds; and in case loans should be necessary under any resolution of the Assembly, they ought to be drawn from other sources.

The subject of investments in stocks is much better understood by the Board of Trustees than by your committee, and the committee believe the Assembly may place the most implicit confidence as well in the judgment and skill, as in the prudence of the Trustees in relation to this whole subject. They therefore only suggest to them, that while it is of importance to secure the increase of revenue, which the new investments in bank stock have yielded, and promise to yield in future; yet a due regard is to be had to the safety and permanency of those investments; and taking into consideration the highly important interests dependent upon such security, that greater risk ought not to be run, than

would be incurred by a prudent man whose family with himself might be dependent upon the investments.

The committee therefore recommend the following resolutions, viz.

1. Resolved, That the General Assembly approve of the proceedings of the Board of Trustees as detailed in their report of the 10th May last, and direct the Stated Clerk to transmit a copy of this report and these resolutions to that Board, as containing the opinion of the Assembly, upon the subjects herein mentioned.

2. Resolved, That the Trustees be directed (if it be not inconsistent with the terms and object of the bequest) to dispose of the stock held by them in the United Passaick and Hackensack Bridge Company.

3. Resolved, That the report of the Trustees be published in the appendix to the minutes.

The annual report of the Directors of the Theological Seminary at Princeton, was ordered to be printed in the appendix to the minutes of the Assembly.

The committee on overtures Nos. 6 and 16, in relation to the boundaries of the Synod of West Tennessee, made a report, which was laid on the table.

The Assembly resumed the unfinished business of yesterday; viz. the appeal of Mr. Barnes. The Synod were heard, by their committee, in explanation of the grounds of their decision.

Adjourned till this afternoon at 3 o'clock.

Concluded with prayer.

THURSDAY afternoon, 3 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

The committee appointed on Overture No. 2. viz. what is a vacant church in the sense of the Form of Government, Chapter 10, Sections 3, 4, 5, and Chapter 8, Section 17, made a report, which was accepted and laid on the table.

The committee on the boundaries of the Synod of Virginia reported in favour of adopting the resolution of said Synod submitted to the General Assembly. The resolution was adopted, and is as follows; viz. That the boundary line of the Synod of Virginia should coincide with the northern boundary of the counties of Randolph, Lewis, and Wood, including the whole of those counties in the Synod of Virginia; that the south-western boundary of the Synod of Virginia coincide with the south-western boundary of the counties of Mason and Kenhawa, so as to include the whole of those counties in the Synod of Virginia; and then making New River, from its mouth, the boundary between this Synod, and the Synod of Tennessee, so as to include that part of the county of Montgomery east of New River, in the Synod of Virginia; but leaving that part of the counties of Wythe, and Grayson, lying east of New River, to belong to the Synod of Tennessee.

The Assembly resumed the case of Mr. Barnes. The original parties, and all the members of the Synod, then withdrew.

A question was raised by Mr. Cunningham, an elder from the Synod of Philadelphia, who was not a member of Synod at the meeting at which the case of Mr. Barnes was tried and issued, whether he has a right to vote in this case in the Assembly. After some discussion, the Moderator decided that Mr. Cunningham, and any other members of the Assembly from that Synod, similarly situated, have a right to vote in the Assembly. From this decision of the Moderator an appeal was

taken, when by a vote of the Assembly the decision of the Moderator was *not* sustained; and it was decided that Mr. Cunningham, and others similarly situated, have no right to vote on the case in the Assembly.

A motion was then made that Dr. Skinner, and Mr. Dashiell, who at the time the trial was commenced in the 2d Presbytery of Philadelphia, were either not dismissed from that body, or had not yet connected themselves with any other, though they did not meet with the Presbytery, and before the meeting of Synod were members of other Presbyteries, should not sit in judgment in the case of Mr. Barnes. This motion was decided in the negative.

The Assembly proceeded to call the roll, to give the members an opportunity to express their opinions in the case of Mr. Barnes, and having made some progress in this business,

Adjourned till to-morrow morning at half past 8 o'clock.

The following resolution was offered by Dr. Miller, viz.

Resolved, That while this General Assembly has thought proper to remove the sentence of suspension under which the Rev. Mr. Barnes was placed by the Synod of Philadelphia; yet the judgment of the Assembly is, that Mr. Barnes, in his notes on the Epistle to the Romans, has published opinions, materially at variance with the Confession of Faith of the Presbyterian Church, and with the word of God;—especially with regard to original sin, the relation of man to Adam, and justification by faith, in the atoning sacrifice and righteousness of the Redeemer. The Assembly consider the manner in which Mr. Barnes has controverted the language and doctrine of our public standards, as highly reprehensible, and as adapted to pervert the minds of the rising generation, from the simplicity and purity of the Gospel plan. And although some of the most objectionable statements and expressions which appeared in the earlier editions of the work in question, have been either removed, or so far modified or explained, as to render them more in accordance with our public formularies; still the Assembly considers the work, even in its present amended form, as containing representations which cannot be reconciled with the letter or spirit of our public standards; and would solemnly admonish Mr. Barnes again to review this work; to modify still further the statements which have grieved his brethren; and to be more careful in time to come, to study the purity and peace of the Church.

After considerable discussion, the previous question was moved and carried, to put the main question.

The main question was then put, on the adoption of the above resolution, offered by Dr. Miller, and was decided in the negative, as follows, viz.

The Assembly took up the subject of Slavery. The report of the committee appointed by the last Assembly on this subject, together with the report of the minority of said committee were read.

A motion was then made to postpone the consideration of these reports, with a view to take up the following substitute, offered by Mr. McElhenny, viz.

"The committee to whom were referred by the General Assembly sundry memorials, and other papers, touching the subject of Slavery, with directions to report thereon to the General Assembly, beg leave to report:

"That after the most mature deliberation which they have been able to bestow on the interesting and important subject referred to them, they would most respectfully recommend to the General Assembly the adoption of the following preamble and resolution, viz.

"Whereas, the subject of Slavery is inseparably connected with the laws of many States of this Union, in which it exists under the sanction of said laws, and of the Constitution of the United States;—And whereas Slavery is recognised in both the Old and New Testament as an existing relation, and is not condemned by the authority of God, therefore,

"Resolved, That the General Assembly have no authority to assume or exercise jurisdiction in regard to the existence of Slavery."

While this motion was under consideration, the Assembly adjourned till this afternoon, at 2 o'clock.

Concluded with prayer.

TUESDAY afternoon, 2 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

The committee on leave of absence, reported that they have given leave to Mr. Cooper, Mr. H. Smith, Mr. Brearly, and Mr. J. Boyd.

The committee of overtures reported overtures Nos. 18, 19, and 20.

Overture No. 18. viz. a request from the Presbytery of Fayetteville for permission to publish an edition of the Confession of Faith and Constitution of the Church, without the Scripture references, was committed to Mr. Janvier, Mr. Douglas, and Mr. M'Farren.

Overture No. 19, viz. on difficulties in several portions of the church; and an application for a division of the Synod of Philadelphia, was committed to Mr. Kittredge, Mr. Bishop, and Mr. Kilpatrick.

Overture No. 20, viz. an application from the Presbytery of the District of Columbia, to be set off from the Synod of Philadelphia; and to be attached to the Synod of Virginia, was committed to Mr. Van Court, Mr. J. L. R. Davies, and Mr. J. Wilson.

The committee on overtures Nos. 10 and 11, respecting the contingent fund, and printing the minutes of the Assembly, made a report which was laid on the table.

The same committee to whom was referred also an overture from the Synod of Albany, in regard to non-resident members of Presbyteries, made the following report, which was adopted; viz.

In conformity with the overture from the Synod of Albany, the committee would recommend to the Assembly the adoption of the following resolution; viz. Resolved, That it be enjoined on the Presbyteries to inquire carefully in regard to any of their members, who may be residing without the bounds of their respective Presbyteries, whether there be sufficient cause for such non-residence; and if not, that measures be taken to transfer the relation of such ministers to the Presbyteries, in the bounds of which they reside.

The Assembly resumed the subject of slavery.

The following motion was made by Dr. Hoge: Inasmuch as the Constitution of the Presbyterian Church, in its preliminary and fundamental principles, declares that no Church Judicatory ought to pretend to make laws, to bind the conscience, in virtue of their own authority; and as the urgency of the business of the Assembly, and the shortness of the time during which they can continue in session, render it impossible to deliberate and decide judiciously on the subject of slavery in its relations to the church; therefore, resolved, that this whole subject be indefinitely postponed.

After some discussion, it was agreed that the question should be divided so as to be taken first on the latter part, viz. 'Resolved, That this whole subject be indefinitely postponed.' The previous question was then moved and carried, and the main question, shall this whole subject be indefinitely postponed, was put and carried in the affirmative by the following vote; viz.

WEDNESDAY morning, June 8th, 8 o'clock. The Asssembly met, and began with prayer.

The minutes of the last session were read.

The committee to whom were referred overtures Nos. 8 and 9, proposing that the Assembly hereafter meet once in two years; and that no appeals except in cases of charges for heresy or unsoundness of doctrine, be taken from the judgments of Synods,—made the following report, which was adopted; viz.

That it is inexpedient that the Assembly should meet less frequently than once a year,

And that the following overture be sent down to the Presbyteries for their adoption or rejection; viz.

Resolved, That so much of the Constitution of the Church, as empowers the General Assembly to issue appeals, complaints, and references, brought before them from the lower judicatories, except in cases of charges against a Minister of the Gospel for error or heresy, and of process commencing in the Synods, be and the same is hereby so amended, that hereafter the Synods, except in the cases above mentioned, be the judicatories of the last resort.

The committee to whom was recommitted the report of the Board of Education, reported, when some amendments were made, and the report was returned to the Board for publication.

Resolved, That the Corresponding Secretary of the Board of Education, whenever he shall present an annual report, shall submit also for the use and inspection of the Assembly, a complete list of the names of the beneficiaries, to whom pecuniary aid has been paid, during the year; also the amount paid to each, whether by the Board directly, or by a Presbytery or auxiliary society; and also the institutions at which the young men have pursued their studies; it being understood that the same is not to be published.

The judicial committee reported in relation to the complaint of E. W. Gilbert and J. W. Pickands, on behalf of the Presbytery of Wilmington, against the Synod of Philadelphia, for dissolving said Presbytery, accompanied with a petition for their restoration, that since their last report, which was laid on the table, they had received satisfactory evidence that due notice of said complaint was given to the Moderator of the Synod of Philadelphia, and that therefore the complaint is in order. They also reported as in order the appeal and complaint of Mr. Asahel Smith against the Synod of Cincinnati; and the appeal and complaint of the Rev. Sayers Gazley, against the same Synod. These cases were put upon the docket.

The committee to whom was referred overture No. 7, being a memorial from the Presbytery of Madison, requesting the General Assembly to recommend to all Christian denominations in the world, to take into consideration the propriety and importance of using their influence with all Christian nations, to adopt some plan, by which all disputes between nations may be amicably settled without appealing to the sword, made the following report, which was adopted; viz.

Resolved, that while the Assembly believe it to be the duty of all the followers of the Prince of Peace to labour and pray for the speedy approach of that day "when the nations shall learn war no more," yet as there is room for diversity of opinion, as to the mode in which the object may be best promoted, the Assembly deem any particular action on the subject by them, at the present time, inexpedient.

The following resolution was offered by Mr. Jessup, viz.

Resolved, That this Assembly will close its sessions this evening at half past 6 o'clock, and that all business not then disposed of, be continued to the meeting of the next General Assembly.

After some discussion, the motion was decided in the negative, as follows:

That they have had under their consideration, reports from *fifty-five* Presbyteries. Of these, *thirty-five* are in favour of the proposed change, and *twenty* are opposed to it. By the Constitution of our Church, the consent of a majority of the Presbyteries is necessary to authorize the alteration contemplated. And as a majority of the Presbyteries have sent up no report to this Assembly, that such Presbyteries be careful to send up their opinion in relation to the proposed alteration in the Constitution, to the next General Assembly.

The Assembly resumed the appeal and complaint of the 2d Presbytery of Philadelphia.

The Synod was heard in support of their decision, and the Presbytery replied. The parties were then considered withdrawn from the house.

The following resolution was offered and adopted, viz.

Resolved, That during the remaining sessions of this Assembly, it shall be understood that when the roll is called, in the trial of any case, the members shall be confined to the giving of their opinion without reasons, according to the letter of the constitutional rules.

The Assembly proceeded to call the roll in the case of the appeal and complaint of the 2d Presbytery of Philadelphia, to give each member an opportunity to express his opinion.

After which the final vote was taken, first on the appeal, which was sustained; and then on the complaint, which also was sustained.

Adjourned till to-morrow morning at 8 o'clock.
Concluded with prayer.

The first and third of these resolutions were adopted; and the second, proposing a change in the constitutional plan of the Seminary, and not having a unanimous vote, which the Constitution of the Seminary requires, was referred for decision to the next General Assembly.

Resolved, That the annual report of the Directors of the Western Theological Seminary be printed in the appendix to the minutes.

The committee appointed on overture No. 12, in relation to Evangelists, made a report, which was accepted, and laid on the table.

And that other denominations of Christians throughout the earth be affectionately invited to unite with us in the same.

Resolved, That the Moderator and Stated Clerk sign this resolution on behalf of the Assembly, and that the same be published..

Also, that the Stated Clerk be directed to inform the Presbyteries, which have not contributed to the contingent fund of the Assembly for the current year, that if they desire the minutes of the Assembly, they shall forward their contributions to that fund without delay.

The committee would submit to the Assembly, the following plan for the publication of the minutes in future; viz. That each Presbytery shall forward to the Treasurer, for the contingent fund of the Assembly, at or before the meeting of the Assembly in each year, a sum equal to $31\frac{1}{4}$ cents for each member of the Presbytery; and for any licentiate, or other person who shall desire the minutes, and whose Post-Office address shall be given. And the Stated Clerk shall not forward the minutes to the members of any Presbytery from which no such remittance shall be made; but only to the Stated Clerk of such Presbytery, and to such members as shall forward the sum above stated.

The Assembly resumed the unfinished business of yesterday, being the appeal and complaint of the 2d Presbytery of Philadelphia, and it was then resolved,

1. That the petition of the appellants be granted.
2. That all the ministers and churches now connected with the said

Presbytery, remain in their present relation until they shall signify their desire to said Presbytery to withdraw from it.

3. The boundaries of the said Presbytery, to be as follows; viz. East, a line running from the Delaware along 10th Street, as far as Coates's street, and thence to the Township line road, where it intersects Broad street, and along said road to the Southern boundary of Montgomery county, including all between said lines, and the river Schuylkill, and also the whole of the counties of Berks and Schuylkill, and as much of Chester and Philadelphia counties, as lies North of the Conestoga turnpike road from Morgantown to the Lancaster turnpike road, and along this latter road to the Schuylkill Permanent Bridge; Provided, that the above shall not be construed to embrace the 9th Church and the pastor thereof; but the same shall remain a part of the 2d Presbytery (Synodical); and, provided also, that the 10th Church and the pastor thereof, be authorized to unite with the 1st Presbytery, if they desire it.

On motion, resolved that the 2d Presbytery of Philadelphia, defined and bounded as above, be hereafter known by the name of the 3d *Presbytery of Philadelphia.*

The report of the committee on the transfer of the Western Foreign Missionary Society, was taken up, and after considerable discussion, the previous question was moved and carried, when the main question on adopting the report, to transfer the Western Foreign Missionary Society to the General Assembly, was put, and was decided in the negative, as follows; viz.

THURSDAY afternoon, 2 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

The committee on leave of absence, reported that they have given leave to the following persons; viz. Mr. Janvier, Mr. J. S. Wilson, Mr. Price, Mr. Nesbit, Mr. Cunningham, and Mr. Hughes.

Mr. Koontz, as a minority of the committee on overture No. 13, made a report counter to the report of the committee, which was passed, and which the Assembly agreed to reconsider. The report of Mr. Koontz was laid on the table.

The report of the committee on overture No. 20, in relation to the Presbytery of the District of Columbia, was taken up, and the resolution recommended by the committee was adopted; viz.

Resolved, That the petition of the Presbytery of the District of Columbia be granted, and that it be transferred from the Synod of Philadelphia to the Synod of Virginia.

The Assembly took up the complaint of Mr. Gilbert and Mr. Pickands, in behalf of themselves, and other members of the late Presbytery of Wilmington, against the Synod of Philadelphia, for dissolving them, and a petition to be restored to their former state, as a Presbytery.

The sentence complained of; the reasons assigned by the complainants for their complaint; and the whole record of the proceedings of the Synod in the case, were read. The complainants were then heard by Mr. Duffield, who by their request appeared in their behalf, and the Synod, in explanation of their decision.

After which it was resolved, that the complaint be sustained, and the petition granted,—and the Presbytery are hereby restored to the state in which they were at the time of their organization by the Synod—except that the church of New Castle, if they desire it, shall have the privilege of uniting with the Presbytery of New Castle.

The appeal of Dr. Wylie from a decision of the Synod of Indiana was taken up, and postponed to the next General Assembly.

The complaint in the case of Jos. C. Harrison against the Synod of Cincinnati was taken up, and postponed to the next General Assembly.

A motion was made to divide the Synod of Philadelphia. After some discussion it was resolved to postpone this subject to the next General Assembly.

The judicial case of an appeal from the decision of the Synod of Utica, in the case of Clark against Holgate, was taken up, and postponed to the next General Assembly.

The report of the committee on overture No. 13, respecting ruling elders, which it was resolved to reconsider; and the report of the minority of the committee on the same overture, was taken up, and the original report was again adopted.

Judicial business, No. 3; viz. appeals and complaints from Missouri, were taken up, and postponed to the next General Assembly.

The committee to whom was referred overture No. 18; viz. a request from the Presbytery of Fayetteville to print an edition of the Confession of Faith and Constitution of the Church, without the Scripture references, made the following report, which was adopted; viz. That after giving this subject a careful attention, they find that in time past the General Assembly has disapproved of such a procedure, and as no good is likely to arise, and much evil may ensue from such an act, therefore, resolved, that the request be not granted.

The following protest was introduced and ordered to be entered on the minutes; viz.

The undersigned do solemnly protest against the decision of the General Assembly, whereby the report of the committee of the last Assembly, respecting the Western Foreign Missionary Society, was rejected, for the following reasons; viz. S. Miller.

1. Because we consider the decision of the Assembly in this case, as an unjustifiable refusal to carry into effect a solemn contract with the Synod of Pittsburg, duly ratified and confirmed under the authority of the last Assembly.

2. Because we are impressed with the deepest conviction, that the Presbyterian Church, in her ecclesiastical capacity, is bound, in obedience to the command of her divine Head and Lord, to send the glorious gospel as far as may be in her power, to every creature; and we consider the decision of the Assembly in this case, as a direct refusal to obey this command, and to pursue one of the great objects for which the Church was founded.

3. Because it is our deliberate persuasion, that a large part of the energy, zeal, and resources of the Presbyterian Church, cannot be called into action in the Missionary cause without the establishment of a Missionary Board by the General Assembly. It is evident that no other ecclesiastical organization, by fragments of the Church, can be formed, which will unite, satisfy, and call forth the zealous co-operation of those in every part of the Church who wish for a general Presbyterian Board.

4. Because, while the majority of the Assembly acknowledged that *they* had a Board which fully met all the wants and wishes, of themselves, and of those who sympathized with them;—they refused to make such a decision as would accord to us a similar and equal privilege; thereby, as we conceive, refusing that which would have been only just and equal, and rejecting a plan which would have greatly extended the missionary spirit, and exerted a reflex beneficial influence on the Churches thus indulged with a Board agreeable to their views.

5. Because, to all these considerations, urged with solemnity and affection, the majority of the Assembly were deaf, and have laid us under the necessity of protesting against their course; of complaining that we are denied a most reasonable, and to us most precious privilege; and of lamenting that we are laid under the necessity of resorting to plans of ecclesiastical organization, complicated, inconvenient, and much more adapted, on a variety of accounts, to interfere with ecclesiastical harmony, than the proposed Board would have been.

The report of the committee on overture No. 5, on the subject of the Sabbath, was taken up; and after some amendments, was adopted, and is as follows; viz.

The committee to whom was referred "overture No. 5, relating to the Christian Sabbath," respectfully report,

That they have given to the consideration of it, all that attention which circumstances would permit; and are prepared to submit to the Assembly the results of their deliberations.

One important fact cannot be denied. The desecration of the Sabbath is certainly increasing with fearful rapidity, in almost every part of our beloved country. A solemn and alarming crisis has already come. Unless the slumbering energies of the Church are speedily aroused to arrest the progress of this growing evil, the entire obliteration of the Sabbath, will, at no distant period, be the result. It is necessary only to look into our large cities and villages, on the Sabbath, or to glance the eye along our navigable rivers, and over our beautiful lakes, or to trace the extended lines of our canals, and rail-roads, or listen to the perpetual rumbling of loaded vehicles, on all our travelled routes, in order to be convinced that Sabbath-breaking has already become a sin of giant growth in our land. It is, indeed, a wide-spread, deep-seated, unblushing evil. It enters boldly into almost every commercial interest in the country; and embraces, directly or indirectly, in its broad sweep of mischief, a vast multitude of individuals; and, what is still worse, an alarming proportion of these offenders belong to the Church of the living God. *Here* is the root of the evil. The Church has become a deliberate partaker in this great sin. In this way has her warning voice been well nigh silenced, her redeeming power over the community paralysed, and the salutary restraints of a consistent example effectually vacated. Reformation, then, must begin at the house of God. If the Church alone can save the Sabbath from being abolished, she must first reform her own conduct. In entering upon the work, it must not be forgotten that, in its failure or success, are involved the best interests of the Church, of our country, and the world. The *rest* of the Sabbath is the only wise and adequate provision for the wants of the animal system. The *influence* of the Sabbath can alone be relied on, to

sustain our free institutions, to extend the empire of law, to preserve domestic order and happiness, and to continue the bare existence of morality and religion in the world. The abandonment of the Sabbath, is, therefore, nothing less than resigning all that is sacred and dear to a Christian people, for time and for eternity. It is certain that whatever is done to rebuke and arrest the profanation of the Sabbath, must be done *immediately*. The work of reform cannot be delayed, without hazarding the irretrievable loss of all the blessings which flow from the observance of that day. The task has already become formidable and difficult. It is not, however, altogether hopeless. The Sabbath may yet be restored, and its blessings perpetuated. The Church and the ministry can, under God, do all that the exigency demands. Let this Assembly do their whole duty, let them lift up a voice of strength, let them send out a loud note of alarm, let them determine, in the strength of the Lord, to carry out, in their practical relation to the Sabbath, the true principles of Christian discipline, and the whole Church may be cleansed, the Sabbath reinstated, and this great and guilty nation saved. Till this is done, the power of every other Christian enterprise will be circumscribed and fluctuating. Nothing that is pure and holy can flourish without the Sabbath. The Sabbath reform is the *fundamental* enterprise. It is utterly vain to think of substituting any other conservative power. The question of rescuing the Sabbath from general profanation, is, *absolutely*, a question of life and death, to every Christian denomination in the world. Such is the momentous nature of the subject under consideration. Your committee rejoice that in this work, *all* hearts may *unite*, and every minor difference be forgotten. Here is common ground. The Sabbath of the Lord is the inheritance of all true Christians. And there is work enough for all. The Church must revive her wholesome discipline.—The ministry must cry aloud and spare not.—The press must be enlisted—the *whole* community aroused. The entire instrumentality which God has prepared for preserving his own institutions, must be called forth, and kept in untiring requisition. For the purpose of enabling the General Assembly more effectually to speak their sentiments to the Churches, and the nation, your committee recommend the adoption of the following resolutions.

Resolved, That the observance of the Sabbath is indispensable to the preservation of civil and religious liberty, and furnishes the only security for eminent and abiding prosperity, either to the Church or the world.

Resolved, That the growing desecration of the Sabbath in our country, must be speedily arrested, and the habits of the community essentially reformed, or the blessings of the Sabbath, civil, social, and religious, will soon be irrecoverably lost.

Resolved, That inasmuch as the work of a general reformation belongs, under God, to the Christian Church, it is the duty of the Church to apply the corrections of a firm and efficient discipline, to all known violations of the Sabbath, on the part of her members.

Resolved, That inasmuch as Ministers of the Gospel must act a conspicuous part in every successful effort to do away the sin of Sabbath-breaking, it is their duty to observe, both in their preaching and their practice, the rule of entire abstinence from all profanation of the Lord's day, studiously avoiding even the appearance of evil.

Resolved, That in the judgment of this General Assembly, the owners of stock in steam boats, canals, rail roads, &c., which are in the habit of violating the Sabbath, are lending their property and their influence to one of the most wide-spread, alarming, and deplorable systems of Sab-

bath desecration which now grieves the hearts of the pious, and disgraces the church of God.

That it be respectfully recommended to the friends of the Lord's day, as soon as possible, to establish such means of public conveyance as shall relieve the friends of the Sabbath from the necessity under which they now labour, of travelling at any time in vehicles which habitually violate that holy day, and thus prevent them from being in any way partakers in other men's sins in this respect.

Resolved, That the power of the pulpit and the press must be immediately put in requisition on behalf of a dishonoured Sabbath, that the magnitude and remedy of the evils, which its violation involves, may be fully understood by the whole community.

Resolved, That this Assembly solemnly enjoin it upon the churches under their care, to adopt without delay, all proper measures for accomplishing a general and permanent reformation from the sin of Sabbath-breaking, and all its attendant evils.

Resolved, That a committee of one from each Synod under the care of this Assembly, be now appointed, to hold correspondence with ministers and churches, for the purpose of carrying out and applying the leading principles of the foregoing report and resolutions.

Resolved, That the foregoing report and resolutions be published in such newspapers, secular and religious, as are friendly to the observance of the Sabbath.

Resolved, That the following persons be a committee to correspond on the subject of the Sabbath; viz.

Rev. Edward N. Kirk,	of the Synod of Albany,
Rev. Amos Savage,	Utica,
Rev. Miles P. Squier,	Geneva,
Rev. John C. Lord,	Genesee,
Rev. Edward Smith,	New York.
Rev. Nicholas Murray,	New Jersey,
Rev. James Patterson,	Philadelphia,
Rev. David H. Riddle,	Pittsburg,
Harmon Kingsbury, Esq.	Western Reserve,
Rev. John P. Cleaveland,	Michigan,
Rev. James B. Hoge, D. D.,	Ohio,
Rev. Lyman Beecher, D. D.,	Cincinnati,
Rev. John Matthews, D. D.,	Indiana,
Rev. Ralph W. Gridley,	Illinois,
Rev. Elijah P. Lovejoy,	Missouri,
Rev. William L. Breckinridge,	Kentucky,
Rev. William S. Plummer,	Virginia,
Rev. Evander McNair,	North Carolina,
Eugenius A. Nesbit, Esq.,	S. Carolina & Georgia,
Rev. Isaac Anderson, D. D.,	Tennessee,
Rev. Benjamin Labaree,	West Tennessee,
Rev. Thomas Alexander,	Alabama.

Resolved, That all the ministers in the bounds of the General Assembly, be requested to read the document on the Sabbath from their several pulpits, and preach on the whole subject which it embraces on or before the third Sabbath of September next.

The following protest was read and ordered to be entered on the minutes; viz.

Whereas the General Assembly of the Presbyterian Church, did by

their vote on the 7th inst. reject a resolution disapproving some of the doctrinal statements contained in Barnes's Notes on the Romans—which resolution, especially under the peculiar circumstances of the case, the undersigned considered of high importance to the church with which we are connected, to the cause of our Lord and Saviour Jesus Christ, and to the just exhibition of his grace and truth; we whose names are subscribed, feel constrained, in the name of the great Head of the Church, solemnly to protest against said decision, for the following reasons; viz.

1. Because we believe that the constitutional standards of the church, in their plain and obvious meaning, and in the sense in which they have always been received, are the rule of judgment by which all doctrinal controversies are to be decided. That it is the duty of the church to maintain inviolate her doctrine and order, agreeably to those standards; to bear her decided testimony against all deviations from them, and not to countenance them, even by implication. Yet in the above decision, there was, as we believe, a departure from our constitutional rule, a refusal to bear testimony against errors, with an implied approbation of them, and a constructive denial that Ministers of the Gospel in the Presbyterian Church are under solemn obligations to conform in their doctrinal sentiments to our Confession of Faith and Catechisms.

2. Because the errors contemplated in the aforesaid resolution, do not consist merely, nor chiefly, in inaccurate or ambiguous expressions and mistaken illustrations, but in sentiments and opinions, respecting the great and important doctrines of the gospel, which are utterly inconsistent with the statement of those doctrines, made in the Confession of Faith, and revealed in the Word of God. We sincerely and firmly believe that Mr. Barnes has denied, and that in a sneering manner, that Adam was the covenant head of the human race; that all mankind sinned in him as such, and were thus brought under the penalty of transgression; that Christ suffered the penalty of the law when he died for sin; and that the righteousness of Christ is imputed to believers for justification. These and similar doctrinal views we regard as material variations from our standards, as dangerous in themselves, and as contravening some of the leading principles of our system, such as man's complete dependence, and the perfect harmony of justice and grace in the salvation of the sinner.

3. Because this expression of approbation of his opinions was passed after, as we believe, it had been clearly and sufficiently proved to the Assembly, that Mr. Barnes had denied these important truths, and had expressed opinions respecting original sin, the nature of faith, and the nature of justification, which cannot be reconciled with our standards; and after, instead of retracting any of his doctrinal opinions, he had declared expressly before the Assembly, and published in the preface to the last edition of his Notes on the Romans, that he had not changed, but held them still, and was determined to preach them until he died.

For these reasons, and for the glory of God, that we may preserve a conscience void of offence, we request that this our solemn protest may be entered on the minutes of the Assembly.

The following protest was also offered, and being read, was ordered to be entered on the minutes, viz.

The undersigned, members of the General Assembly, who were of the opinion that the appeal of the Rev. Albert Barnes should be sustained only in part, and that a modified decision should be made, beg leave to present to the Assembly this brief explanation of their views, and desire that it may be entered on the minutes, as their Protest against the course which has been pursued in this case.

1. They explicitly declare, that in their opinion the refusal of the Presbytery to bring their records before the Synod, and of Mr. Barnes to appear and plead in defence when their objections had been overruled, was irregular and censurable; and that although the Synod acted in a manner that was questionable, and perhaps injudicious, in trying the appeal of Dr. Junkin, without the records of the Presbytery, and in the absence of Mr. Barnes, who had declined making any defence, yet this irregularity was not of such a nature as to annul their proceedings.

2. They were of the opinion that the charges brought against Mr. Barnes by Dr. Junkin, were at least partly substantiated, and that on very important topics of the system of doctrine contained in the Confession of Faith, and the Word of God; and that, therefore, the appeal could be sustained only in a modified sense, if at all on this ground, without an implied approbation of his doctrinal views.

3. Further, they were of the opinion, that inasmuch as some of the charges were not fully, if at all sustained; and it may be doubted whether the Synod ought, as the circumstances of the case appeared to be, to have inflicted the censure of suspension; and Mr. Barnes, during the progress of this trial, exhibited some important alterations of his book, and made such explanations and disavowals of the sentiments ascribed to him, as were satisfactory in a considerable degree; the removal of his suspension might be deemed proper and safe; they were therefore willing, on this account, to concur in this measure; but did not desire to sustain the appeal in an unqualified sense.

The undersigned therefore desire to place themselves aright, in the discharge of their official duty, before this Assembly, and the Church with which they are connected, and the whole Christian Church, so far as these transactions may be known; and cannot consent to be understood as giving countenance to irregular proceedings in the judicatories

of the Church, or those who are amenable to them; or as overlooking erroneous doctrinal sentiments; or as desiring to exercise undue severity towards the appellant. And they cannot withhold the expression of their regret, that all their efforts to procure a justly modified decision, were defeated by the positions occupied by different and opposite portions of the Assembly, in regard to this case; nor will they conceal that they have painful apprehensions that these things will lead to extended and increased dissension, and endanger the disruption of the holy bonds which hold us together as one Church.

Dr. Skinner, Dr. Allan, and Mr. Brainerd, were appointed a committee to answer the last two protests.

Adjourned till to-morrow morning at 8 o'clock.

Concluded with prayer.

FRIDAY morning, June 10th, 8 o'clock. The Assembly met, and began with prayer.

The minutes of the last session were read.

The committee on leave of absence reported that they have given leave to the following members, viz. Messrs. Post, A. Kingsbury, Spaulding, A. Parmelee, Brown, Walker, J. Allan, Pettibone, Bergen, Downer, Hoyt, Stow, Savage, Carey, Martin, Jennings, Fleming, McCallum, Whitaker, Preston, Borden, Fellows, R. Porter, D. A. Smith, Hopkins, McDowel, W. M. Lewis, Ferguson, Coburn, and El. Conger.

The following protest was read, and ordered to be entered on the minutes.—

The undersigned, members of the General Assembly, feel themselves called upon to protest, and they do hereby protest, against the action of the Assembly, yesterday, on the subject of Slavery.

The reasons for this protest, among others, are the following, namely,

1. They protest, because of the manner in which the whole vote on the preamble and resolution was taken. As it now stands, on the minutes, the votes of many members are recorded in direct opposition to their real sentiments and intentions.

2. They protest, because the preamble was adopted as explaining the resolution for indefinite postponement, which immediately follows it, when, in fact, the resolution was adopted *before* the preamble, and was voted for by many, who did not even suspect that the preamble was to be subsequently reunited to it.

3. They protest, because the adoption of the preamble seems to imply that both the signers and defenders of the anti-slavery memorials and petitions, which were presented to the Assembly, had desired the Assembly should so "legislate on the subject, as, by its own authority, to bind the consciences of men," a sentiment, which those signers and defenders unanimously repudiate and disown.

4. They protest, because they apprehend that from the course of the Assembly's action, the inference may possibly be drawn, that those who voted for postponement, might have deemed it improper for the Assembly freely *to discuss* the subject of slavery, and to *pronounce opinions* re-

specting it; a sentiment, which the undersigned heartily repudiate and disown.

5. They protest, because the preamble does not express the true and only reason, by which many were governed, who voted in the affirmative, namely, a deliberate conviction, *that under the existing circumstances*, a discussion of the subject could, in no way, be made to promote the cause of emancipation.

6. They protest, because the ayes and noes were not taken and recorded on the adoption of the preamble, as well as on that of the resolution, although it is believed they were desired and demanded by at least one third of the house.

7. They protest, finally, because the question on the adoption of the preamble and resolution, *as a whole*, was not submitted to the house, *after* both its parts had, *in an inverted order*, been separately carried, and when it is certain that many, if not a majority of those who voted for the postponement, *per se*, would have voted against the whole minute, had it been thus submitted *as a whole*.

Mr. Pratt, Mr. Weaver, and Mr. Sparrow, were appointed a committee to answer the above protest.

The committee appointed to answer the protests Nos. 2 and 3, brought in the following answer, which was adopted, and ordered to be entered on the minutes.

In reply to the two protests of the minority, against the decision of the Assembly in refusing to censure the first edition of Barnes' Notes on the Romans, the Assembly remark;

1. That by their decision they do not intend to, and do not, in fact, make themselves responsible for all the phraseology of Mr. Barnes; some of which is not sufficiently guarded, and is liable to be misunderstood; and which we doubt not Mr. Barnes, with reference to his usefulness, and the peace of the Church, will modify so as to prevent, as far as may be, the possibility of misconception.

2. Much less do the Assembly adopt as doctrines, consistent with our standards, and to be tolerated in our Church, the errors alleged by the prosecutor, as contained in the Book on the Romans. It was a question of fact whether the errors alleged are contained in the book; and by the laws of exposition, in conscientious exercise of their own rights and duties, the Assembly have come to the conclusion that the book does not teach the errors charged. This judgment of the Assembly is based on this maxim of equity and charity, adopted by the Assembly of 1824, in the case of Craighead, which is as follows, namely:—"A man cannot be fairly convicted of heresy for using expressions which may be so interpreted as to involve heretical doctrines, if they also admit of a more favourable construction.—It is not right to charge any man with an opinion which he disavows." The import of this is, that when language claimed to be heretical, admits without violence of an orthodox exposition, and the accused disclaims the alleged error, and claims as his meaning the orthodox interpretation, he is entitled to it, and it is to be regarded as

the true intent and import of his words. But in the case of the first edition of the Notes on the Romans, the language is, without violence, reconcilable with an interpretation conformable to our standards; and therefore, all the changes of phraseology which he has subsequently made, and all his disclaimers before the Assembly, and all his definite and unequivocal declarations of the true intent and meaning of his words, in the first edition, are to be taken as ascertaining his true meaning; and forbid the Assembly to condemn the book as teaching great and dangerous errors.

3. When the Assembly, by sustaining the appeal of Mr. Barnes, by a majority of 38; and by a majority of 67 removed the sentence of his suspension, and restored him in good standing to the ministry, it is not competent for the same judicature, by the condemnation of the book, to inflict on Mr. Barnes indirectly, but really, a sentence of condemnation, as direct in its effects, and as prostrating to his character and usefulness, as if it had been done directly, by refusing to sustain his appeal, and by confirming the sentence of the Synod of Philadelphia:—And what this Assembly has declared, that it cannot in equity do directly, it cannot, in equity or consistency, attempt to do indirectly.

4. The proposed condemnation of Mr. Barnes' book, as containing errors materially at variance with the doctrines of our Standards; after sustaining his appeal, and restoring him to good standing in the ministry, would be a direct avowal that great and dangerous errors may be published and maintained with impunity in the Church. For if the book does in fact inculcate such errors, it were wrong to attempt to destroy the book and spare the man. If the charges are real, they are not accidental. Therefore, should the Assembly decide the alleged errors of the book to be real, it would, by its past decision, declare that a man suspended for great and pernicious errors, may be released from censure, and restored to an unembarrassed standing in the ministry; a decision to which this Assembly can never give its sanction.

5. The attempt to condemn Mr. Barnes, by a condemnation of his book, after he had been acquitted on a hearing on charges wholly founded on the book, is a violation of the fundamental maxim of law, that no man shall be twice put in jeopardy for the same offence; and if it were otherwise, and the man might be tried in his person, and tried on his book, the same process of specification and defence is due to personal and public justice.

6. So far is the Assembly from countenancing the errors alleged in the charges of Dr. Junkin, that they do cordially and *ex animo* adopt the Confession of our Church, on the points of doctrine in question, according to the obvious, and most prevalent interpretation; and do regard it as a whole, as the best epitome of the doctrines of the Bible ever formed. And this Assembly disavows any desire, and would deprecate any attempt, to change the phraseology of our standards, and would disapprove of any language of light estimation applied to them; believing that no denomination can prosper whose members permit themselves to speak slightly of its formularies of doctrine; and are ready to unite with their brethren, in contending earnestly for the faith of our standards.

7. The correctness of the preceding positions, is confirmed, in the opinion of the Assembly, by a careful analysis of the real meaning of Mr. Barnes under each charge, as ascertained by the language of his book; and the revisions, disclaimers, explanations, and declarations which he has made.

In respect to the first charge, that Mr. Barnes teaches, that all sin is

voluntary, the context, and his own declarations, show that he refers to all *actual* sin merely, in which he affirms the sinner acts under no compulsion.)

The second charge implies neither heresy nor errors, but relates to the expression of an opinion on a matter, concerning which, no definite instruction is contained, either in the Bible, or in the Confession of Faith.

(In respect to the third charge, Mr. Barnes has not taught that unregenerate men are able, in the sense alleged, to keep the commandments, and convert themselves to God. It is an inference of the prosecutor from the doctrine of natural ability, as taught by Edwards, and of the natural liberty of the will as taught in the Confession of Faith, Chap. ix. sec. 1.) On the contrary, he does teach in accordance with our standards, that man, by the fall, hath wholly lost all *ability of will* to any spiritual good accompanying salvation.

In respect to the fourth charge, that faith is an act of the mind, Mr. Barnes does teach it in accordance with the Confession of Faith, and the Bible; but (he does not deny that faith is a fruit of the special influence of the Spirit,) and a permanent holy habit of mind, in opposition to a created physical essence. (That faith "is counted for righteousness," is the language of the Bible, and as used by Mr. Barnes, means, not that faith is the meritorious ground of justification, but only the instrument by which the benefit of Christ's righteousness is appropriated.)

In respect to the fifth charge, (Mr. Barnes no where denies, much less "sneers" at the idea that Adam was the Covenant and Federal Head of his posterity:—On the contrary, though he employs not these terms, he does, in other language, teach the same truths which are taught by this phraseology.)

In respect to the sixth and seventh charges, that the sin of Adam is not imputed to his posterity, and that mankind are not guilty, or liable to punishment, on account of the first sin of Adam; it is to be observed, that (it is not taught in the Confession of Faith, that the *sin* of Adam is imputed to his posterity:—The imputation of the guilt of Adam's sin,) Mr. Barnes affirms, though not as including personal identity, and the transfer of moral qualities, both of which are disclaimed by our standard writers, and by the General Assembly.

In respect to the eighth charge, (that Christ did not suffer the penalty of the law, as the vicarious substitute of his people; Mr. Barnes only denies the literal infliction of the whole curse, as including remorse of conscience and eternal death; but admits and teaches, that the sufferings of Christ, owing to the union of the divine and human natures in the person of the Mediator, were a full equivalent.)

In respect to the ninth charge, that the righteousness of Christ is not imputed to his people, (Mr. Barnes teaches the imputation of the righteousness of Christ, but not as importing a transfer of Christ's personal righteousness to believers, which is not the doctrine of our Church:—) And when he says that there is no sense in which the righteousness of Christ becomes ours, the context, and his own declarations, show that he simply means to deny a literal transfer of his obedience; which, on the contrary, he teaches is so imputed or set to our account, as to become the only meritorious cause or ground of our justification.

In respect to the tenth charge, (Mr. Barnes has not taught that justification consists in pardon only; but has taught clearly that it includes the reception of believers into favour, and their treatment as if they had not sinned.)

The committee to whom the communications of Dr. Edwards, on the subject of Temperance, were committed, made a report, when it was resolved, that all the ministers and members of our churches be earnestly advised to attend as far as practicable to the circulation of the "Permanent Documents," and the "Youth's Manual of Temperance," published by the American Temperance Society.

The committee on the state of the church, reported that they had not agreed on any report. The committee were discharged.

The complaints respecting the churches at Newark and St. George's were withdrawn.

The following dissent was offered, and ordered to be entered on the minutes.

The undersigned respectfully dissent from the decision of a majority of the General Assembly in relation to the last proposition contained in overture No. 13, for reasons contained in the report presented by a minority of the commitee, which report is as follows; viz.

"The committee to whom was referred overture No. 13, report the following as an answer to the last proposition; viz. When an elder has been suspended from church privileges for an offence, and is again restored to the privileges of the church, is he also restored to his office as a ruling elder? It is in the power of sessions, to demand for sufficient reasons, a temporary cessation of the active duties of a ruling elder in their particular church, but further than this they cannot go without the consent or direction of the Presbytery. This is founded in the nature of the office; an investment with which extends the influence and duties of the eldership in important respects to the whole church, and as is often the case with the ministry, it may be proper and profitable to exercise its functions in some particular congregations, where local or adventitious circumstances would render it highly inexpedient in them. At the time of trial for the offence, on account of which an elder is suspended from church privileges, it would be perfectly competent for the session to have taken the necessary steps for his suspension or deposition from the eldership as a distinct act. In failure to do so, restoration to membership is a new investment with his office, which was impaired only indirectly and inferentially by a suspension of his church privileges. If the church be aggrieved by such a result, no other redress is left them but a public expression of their unwillingness for his action, as one of their spiritual rulers. If he then fail to lay down his performance of his official duties, this would be a proper ground of complaint to Presbytery who, under the power granted in chapter x, section 8, of the Form of Government, to inquire into the state of particular churches, and redress existing grievances, for the purpose of promoting peace and harmony, might order a compliance with their wishes. The general usages of our churches sanction these principles, and it is believed they are directly in conformity to chapter xiii, sections 6 and 7, of the Form of Government.

"In the xviith chapter of the Form of Government, provision is made for the release of congregations from their Pastors, under circumstances which affect their interest: the same rule in its spirit would apply to the eldership, and the same mode of obtaining redress, there prescribed, must be adopted."

The following answer to protest No. 4, was read, and ordered to be entered on the minutes.

In answer to the protest against the vote of this House, in regard to slavery, the Assembly would say,

That the question for postponement was fairly before the House, and was decided by a division of the question, the vote having been first taken upon the resolution, and then upon the preamble.

The Assembly judge no injustice was done to any, because it is universally understood, that when a question is divided, the matter is not ended until a vote has been taken on both parts of the question.

The Assembly moreover judge, that no injustice was done in the decision, inasmuch as when the two parts of the question were decided, the whole question was disposed of, and therefore, there was no necessity or propriety in further action.

The Assembly further judge, that the decision was a just and righteous one, because of the pressure of business rendering it impossible to enter into the merits of the subject.

And finally, the Assembly judge, that no injustice was done to any by their decision, because it was evident, that a majority of the House was utterly opposed to any action that would have met the views of those who now protest against the decision of the Assembly in this matter.

The following answer to protest No. 1, was received, and ordered to be entered on the minutes.

In answer to the protest of the minority of the General Assembly, on the subject of Foreign Missions, the majority regard it as due to the churches, and the friends of missions generally, to state some of the grounds on which they have declined to carry into effect the arrangement adopted and reported by the committee of the last General Assembly, in regard to the Western Foreign Missionary Society.

We are of opinion,

1. That the powers intended to be conferred upon the above committee, by the last Assembly, to ratify and confirm the transfer of the said society from the Synod of Pittsburg to the General Assembly, on such terms as the said committee might approve, are altogether unusual and unwarranted; and especially that it was indiscreet and improper for that Assembly to attempt to confer such unlimited powers, for such a purpose, in the existing state of the churches, upon so small a committee, and that too on the last day of the sessions of the Assembly, when more than one half of the enrolled members of the body had obtained leave of absence, and had already returned to their homes.

2. That it was unwarrantable and improper for the above committee, in the exercise of the extraordinary powers supposed to be conferred on them, to incorporate, in their agreement with the Synod of Pittsburg, the condition that the supervision of the missions of the Board intended to be organized, should never be alienated by the General Assembly; thus endeavouring to bind irreversibly all future Assemblies, by the stipulations of that committee.

3. It is, therefore, our deep conviction, that it was the duty of this Assembly to resist the unwarrantable and extraordinary powers of the above committee, and to reject the unreasonable conditions of their contract with the Synod of Pittsburg.

4. It is our settled belief, that the church of Christ is *one* by divine constitution, and that the command is of universal obligation.—"Let there

be no divisions among you;" and that whatever advantages or disadvantages may have resulted from the divisions of the church into numerous denominations, with conflicting opinions, it can not be our duty, as Christians, to perpetuate and extend these divisions by incorporating them in our arrangements to spread the gospel in heathen lands. We can not, therefore, regard the decision of the Assembly in this case as a refusal to obey the command of the great Head of the Church to preach the gospel to every creature. That command, as we understand it, is not to the Presbyterian Church in her distinctive ecclesiastical capacity, but to the *whole Church*, to the collective body of Christ's disciples, of every name. It was, that they might the more effectually *obey* the above command, by uniting with Christians of other denominations in the noble work of Foreign Missions, that the Assembly declined to carry into effect the proposed organization, restricted to the Presbyterian Church.

5. We do not agree with the protestants in the opinion that the resources of any part of the Presbyterian Church, "can not be called into action in the missionary cause, without the establishment of a Missionary Board by the General Assembly." The history of missionary operations in this and in other countries, furnishes ample evidence that the energy and zeal of Christians in the spread of the gospel, are much more effectually enlisted, and their liberality greatly increased, by more expanded organizations, which overstep the limits of sects, and the bond of whose union is the one great object of spreading the glorious gospel of the blessed God. It is our settled belief, that societies formed on these principles, and including different denominations of Christians, are actually performing, as the proxies of the Church in the work of missions, that which the Church, on account of her existing divisions, can perform in no other way so well. They appear to us to have embraced the harmonizing principle which is destined ultimately to reunite the churches, and make them ONE, as it was in the beginning and will be in the end.

6. While the majority of the Assembly acknowledge their unabated confidence in the American Board of Commissioners for Foreign Missions, as fully meeting our wishes, and affording a safe and open channel through which all our churches may, as consistent Presbyterians, convey their contributions to the cause of Foreign Missions, we do not regard ourselves as having denied, by the decision protested against, to the minority, the privilege of conducting their missionary operations, with entire freedom, in any other plan which they may prefer. But we think it unreasonable for them to ask us to form, and to complain of our not forming, by a vote of the General Assembly, an organization, the principles of which we do not approve. We do not ask of them to assume the responsibilities of the plan which we prefer, and we can not regard ourselves as chargeable with unkindness or injustice in having refused to assume the responsibilities of the plan which they prefer. If we can not agree to unite in the same organization, for the same purpose, it appears to us manifestly proper, that each party should bear the responsibilities of its own chosen plan of operations; and if our brethren can not so far commend their principles as to extend their ecclesiastical organizations beyond those "fragments of the church" of which they speak, they surely ought not to complain of us, "if those in every part of the church who wish for a general Presbyterian Board," remain dissatisfied. We would respectfully ask whether they ought not to charge their embarrassment, in this respect, to the plan which they have adopted, rather

than to those who have chosen, on their own responsibility, in the fear of God, to conduct their missionary operations on other principles. If, therefore, the minority of the Assembly should hereafter judge themselves under "the necessity of resorting to plans of ecclesiastical organization," which shall "interfere with ecclesiastical harmony," the majority can not regard themselves as responsible for such results. The settled belief of the majority of the Assembly is, that the operations of the American Board of Commissioners for Foreign Missions, with its numerous auxiliaries, both ecclesiastical and voluntary, within the bounds of the Presbyterian Church, present the best arrangement for the promotion of the cause of missions by our Churches, and it was to prevent the ecclesiastical conflicts and divisions which have resulted from the operations of other similar organizations, that they have thought it their duty to decline the organization proposed. They have made their decision for the purpose, and with the hope of securing and promoting the union in the missionary work which has so happily existed in former years. With these views and hopes, they commend the cause of missions, and their solemn and conscientious decision, to the blessing of God, and pray for the peace of Jerusalem.

Resolved, That the Rev. Luther Halsey, D. D., be appointed on the committee to prepare the history of the Presbyterian Church, in the place of the Rev. Ezra S. Ely, D. D., resigned.

The committee on overture No. 17, respecting a change in the time of holding the Monthly Concert of Prayer, made a report, which was not adopted.

The report of the committee on the records of the Synod of Philadelphia, was taken up, and the records were approved.

The following protest was offered, and ordered to be entered on the minutes, viz.

The undersigned desire to enter their protest against the vote of the Assembly, to strike out from the answer to the protest against the postponement of the subject of slavery, the words, "because the memorials and some of the speeches were highly abusive and disorderly, denouncing a large number of the members of the Assembly, in direct violation of the 21st rule of the House," because,

1. The words state nothing but the truth.

2. Because the facts referred to in the words ordered to be stricken out, were in great part the grounds upon which the whole subject was postponed.

3. Because the vote to strike out was taken, notwithstanding several members opposed to it, loudly and earnestly requested permission to be heard before the vote was taken,

G. W. Musgrave, Samuel Boyd, Thomas A. Ogden, J. H. Gray, F. H. Porter, A. George, Samuel Henderson, William Wallace, P. J. Sparrow, J. Le Roy Davies, J. Stoneroad, W. W. Phillips, W. P. Alrich, J. McElroy, William Marshall, J. V. Henry, R. J. Minor, H. S. Pratt, S. S. Davis, S. G. Winchester, James Lenox.

The following protest was also offered, and ordered to be entered on the minutes.

The undersigned would solemnly protest against the decision of the General Assembly, during their present session, by which the subject of slavery was indefinitely postponed, on a preamble and resolution of Dr. Hoge; thus excluding any further consideration of Mr. McElhenny's substitute for the reports of the majority, and counter report of one of the minority of the committee appointed on this subject, at the last Ge-

neral Assembly, together with the numerous memorials and petitions from different sections of the Church, presented during the present meeting of the Assembly.

And we enter our protest for the following reasons.

1. Because such decision is inconsistent with former doings of the Assembly on the subject of Slavery.

2. Because said decision is founded on a false interpretation of the constitutional powers of the General Assembly.

3. Because it is the sacred duty of the Presbyterian Church, in her distinctive character, to give a frank response to respectful petitions and memorials of her members, both at the north and south, relative to the system of slavery as it exists in these United States.

The committee on overtures Nos. 6 and 16, made a report, which being read, was adopted, viz.

The committee to whom was referred overture No. 6, being a memorial from the Synod of West Tennessee, in relation to their boundaries, beg leave to submit the following report.

That the memorialists pray the General Assembly to detach that portion of the Presbytery of Muhlenburg, which lies within the bounds of the State of Tennessee, and which includes the Presbyterian Church at Clarksville, from said Presbytery, and attach it to the Presbytery of Nashville, and to restore the boundary line between the Presbyteries, which formerly was the line between the states of Tennessee and Kentucky.

A memorial adverse to this memorial, has also been presented by the Synod of Kentucky.

A petition from the members of the Presbyterian Church at Clarksville, has also been presented, joining in the prayer of the memorial, and expressing the belief that this alteration of boundary would tend to promote the interests of the Church in that section of the country.

It is therefore evident, that those who are the most deeply interested, desire the change, and express their belief that it would be beneficial; and as the reasons offered by the Synod of Kentucky are not sufficient, in the judgment of the committee, to justify a refusal of the petition, they would therefore recommend the adoption of the following resolution.

Resolved, That all that portion of the Presbytery of Muhlenburg, which lies within the bounds of the state of Tennessee, be attached to the Presbytery of Nashville, so that hereafter the state line be the boundary between the two Presbyteries.

The report of the committee on the rights of ministers without charges to a seat in the judicatories of the Church, was taken up, and indefinitely postponed.

The appeal of Asahel Smith, from a decision of the Synod of Cincinnati, was postponed to the next General Assembly.

The committee on overture No. 12, viz. with regard to Evangelists, was taken up, and, after some discussion, was again laid on the table.

The appeal of the Rev. Sayers Gazlay, from the Synod of Cincinnati, was taken up, and postponed to the next General Assembly.

The report of the committee on overture No. 2, relating to vacant churches, was called up, and postponed to the next General Assembly.

The committee on overture No. 19, respecting difficulties in the church, made a report, which was indefinitely postponed.

The Stated Clerk, with Mr. Winchester and Mr. Duffield, were appointed a committee to revise the minutes, and prepare them for publication.

Bills were presented for the incidental expenses of the present Assembly, amounting to one hundred and fifty-four dollars and thirty-eight cents.

Ordered, That the Trustees give a warrant on the Treasurer for the payment of the above sum of one hundred and fifty-four dollars and thirty-eight cents, for the payment of the incidental expenses of the Assembly.

Resolved, That the thanks of the Assembly be presented to the citizens of Pittsburg, for their kindness and hospitality towards the members of the Assembly.

Resolved, That calling the roll previously to dissolving the Assembly, be dispensed with.

The Assembly having finished their business, it was resolved, that this General Assembly be dissolved; and that another General Assembly, chosen in like manner, be required to meet in the Central Church, in the City of Philadelphia, on the third Thursday of May, 1837, at 11 o'clock, A. M.

The Moderator dissolved the Assembly accordingly, with prayer, and the benediction.

APPENDIX.

NARRATIVE OF THE STATE OF RELIGION.

The Assembly have found it difficult to compress within the narrow limits usually assigned to this narrative, an accurate and faithful exhibition of the state of religion within the extensive territory occupied by our Church.

Revivals of religion have always been regarded with interest by the Church, as furnishing delightful evidence of the gracious presence of that Spirit whose office is both to comfort and sanctify.

Reports have been received from about 100 of 127 Presbyteries, belonging to the Presbyterian Church, in the United States. Of these, one Presbytery, Ontario, reports revivals in nine churches under their care; one Presbytery, Rochester, reports seven; three, Geneva, Ottawa, New York, 3d, report four revivals; two report three revivals; nine report two revivals; seventeen mention one church within their bounds, as blessed with the special influences of the Spirit; and fifty Presbyteries report no revival in a single congregation within their bounds.

From these facts the Assembly cannot resist the melancholy conviction, that the last year has been one in which the churches have been deserted by the Divine Spirit, to a degree unexampled in our former history. Sixty-nine churches within our whole bounds, have been distinctly stated to have enjoyed a season of refreshing from the presence of the Lord; so that making a liberal allowance for imperfection in the reports, less than one hundred churches out of twenty-eight hundred, have enjoyed revivals of greater or less extent, during the year. It is with deep sorrow and humiliation we would refer to the departure of the Spirit, from our Zion. The rebukes of Heaven are upon us; and these signs of the times call loudly upon our churches to humble themselves before God, to inquire into the causes of our sad declension, and to pray with increasing fervour for that Spirit, whose presence, gentle as the dews of Heaven, will put an end to all, and heal all our backslidings, and give life to those churches, where now the stillness of death reigns. The Assembly, however, would not despair; for Zion's King still reigns: we would look to the hills, whence cometh our help; our help cometh from the Lord, which made the heavens and the earth.

Former Assemblies have regarded with interest and pleasure, the progress of temperance in our land. This noble cause has made cheering progress in times past, and we regard much of the ground thus won from the enemy as safe. But let us not be flushed by past achievements, so as to forget the present danger. We would not disguise from the churches, that twenty-six Presbyteries have reported it stationary or declining, while twenty-five only have given us information of an onward progress in this cause, so vital to the best interests of man. We are persuaded, that in this warfare, the best weapons are "light and love," and we would lift our warning voice against the spirit of harsh and unkind denunciation, which has to some extent prevailed in regard to this matter. While the Christian temper is preserved, and none of the ordinances of the church brought into jeopardy, we would bid God speed to all labourers in this cause, notwithstanding differences of views as to the wisest measures to promote it.

It is with great pleasure we have learned that the churches under our care, are increasing in the liberality with which they patronize the benevolent institutions of the day. There is an uniform testimony on this subject, and that is, that in every section of our church, liberal benefactions have been bestowed on the cause of foreign and domestic missions. We would hope that the prayers and alms of the church have gone up together as a memorial before the Lord; but from information communicated to us, we have much reason to deplore that the monthly concert of prayer, a season when Christians have the privilege of pouring out their hearts to God, for a dying world, is not habitually attended by more than one out of every eight members of our communion. The Assembly would hope that the churches would enlarge their hearts, when they come before the Lord for this great cause; and that they would multiply the number, and increase the importunity of their petitions, that his kingdom may come, whose right it is to reign in every land under the whole Heaven.

The spirit of emigration is wasting some of our churches; and a spirit of adventurous speculation and increasing worldliness is pervading others, and eating out their piety as doth canker. We hope that the solemn admonition of the Apostle will be remembered by all that are making haste to be rich:—They that will be rich, fall into a temptation and a snare, and into many foolish and hurtful lusts, which drown men in destruction and perdition; for the love of money is the root of all evil; which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.

The institutions of the Sabbath continue to be regarded with affection and attention by our churches; and the attendance on the outward means, it is believed, has never been better. Sabbath Schools are still justly regarded by the most of our churches as blessed nurseries for the Church of Christ, in which the minds of the young are imbued with that knowledge, which by the divine blessing has, in thousands of instances, made them wise unto salvation.

It is with pain and sorrow we have learned from many of the presbyteries that the sin of Sabbath-breaking prevails to an alarming extent. On this holy day the cities and villages pour out their population on the surrounding country, to corrupt and pollute it; and upon all the great thoroughfares of our country, even some professors of religion may be found either directly or indirectly violating God's holy rest; thus contributing by their influence, to bring into contempt an institution which we cannot but regard as vital to our common Christianity.

From the reports of the Assembly's Boards of Education and Missions, we have learned that they are prosecuting their respective objects with vigour and success. The Assembly's Board of Missions have two hundred and fifty missionaries in the field; and the Board of Education have six hundred young men in course of preparation for the gospel ministry. Our Theological Seminaries continue to flourish; may they long continue to be nurseries of deep-toned piety, as well as of sound learning.

The reports received from the congregational churches in New England, exhibit a healthy state of piety in the land of the pilgrims, and give cheering evidence that God has not forgotten to revive his work in many of their waste places during the past year.

The American Home Missionary Society, still continues to be a blessing to many ready to perish, and the Assembly are happy to learn that the smiles of heaven still rest on the American Bible Society, and hope it will continue to possess the undivided confidence of all the churches.

In reviewing the past year, we hope its solemn admonitions will not be forgotten. The troubles and agitations of our beloved church still continue; the Spirit's influences are withheld; prayer is restrained before God; the love of many waxes cold; the spirit and temper of the world is invading the Church, and threatening in many places to mar or destroy, the beautiful features of our holy religion; and our church may soon become like the mountains of Gilboa, on which neither the rain nor dew of heaven descended.

ELEVENTH ANNUAL REPORT

Of the Trustees of the Theological Seminary at Princeton.

The Trustees of the Theological Seminary at Princeton, report to the General Assembly, that, agreeably to the report of their auditing committee, Benjamin Strong and John J. Bryant, Esqrs., made May 6th, 1836, there was at this date a balance in the hands of the treasurer, James Green Esq., on the general account, of $ 1,279 94.

That since the last settlement, made in May, 1835, the treasurer has received, on the *Contingent Fund*, for professors' salaries, $8,777 91, which he has paid to the professors, being in full of their salaries to the 1st instant. He has also received, on this fund, $71 00 for the professorship of the Synod of New Jersey, which he has forwarded to the treasurer of the Trustees of the General Assembly, leaving no balance on this fund.

That he has received on the *Education Fund*, from Scholarships, Students' fund, and the dividends of Princeton Bank stock, $3,275 21, which, added to the balance due this fund on former settlement, of $67 51, makes the sum of $3,342 72. He has paid to the students, on the order of the professors, $3,147 50, leaving a balance of $195 22.

That he has received $1,000 00, the amount of a legacy left by Mr. Hugh Kennedy, for the education of poor and pious young men for the work of the ministry; and has invested $250 00 of this sum in Princeton Bank stock, leaving $750 00 uninvested, which, added to the above balance of $195 22, makes $945 22 in his hands, due this fund.

And that he has received on the *Expense Fund*, $1,103 00, which, added to former balance of $31 77, makes the sum of $1,134 77. He has paid out of this fund, for contingent expenses, and for books for the library, $800 03, leaving a balance on this fund of $334 74.

Recapitulation—Balance on Education Fund,	$945 20
Do. Expense Fund,	334 74
Total balance,	$1279 94

The Trustees have directed their treasurer to invest the remaining $750 00 of Mr. Kennedy's bequest, in some safe and productive stock.

This generous offer the Board have accepted. The lot contains about three and a half acres, is contiguous to the seminary, is considered at the present time cheap, and is likely to rise much in value.

THE NINTH ANNUAL REPORT

Of the Board of Directors of the Western Theological Seminary, to the General Assembly.

The Directors of the Western Theological Seminary, state with gratitude, to the great Head of the Church, that the institution under their care is in a flourishing condition, as to the number and the general spirit of the students. The state of piety generally is highly gratifying, and the missionary spirit in particular is decidedly advancing. We believe we may say, that in no seminary in our country, in proportion to its numbers, have as many devoted themselves to the work of preaching the Gospel to the Heathen. The spirit that led Laird and Lowrey and Barr and Newton and Wilson to the foreign field, yet lives and flourishes within its walls. Besides those already in the field, one has just left the seminary as a missionary to China, and several others have devoted themselves to the same great work. The health of the students generally has been good, and promoted, it is believed, by the facilities for *manual labour*, which have been enjoyed. During the past year, a handsome and convenient workshop, through the liberality of Walter Lowrie Esq., has been erected, to increase still more these facilities, of which it is hoped the students will find it advantageous both to their health and pecuniary resources to avail themselves.

There have been added to the Seminary, during the past year, the following individuals, viz.

During summer session—

Reuben Lewis,	Western University, Pa.
Lemuel G. Olmsted,	Union College.

During winter session—

J. W. Murray,	Jefferson College.
John Smith,	Washington College.
Joseph Chambers,	Jefferson College.
Robert B. Walker,	Ditto.
J. R. Knott,	Ditto.
William McMichael,	Meadville College.
H. Brown,	Jefferson College.
Addison Coffy,	
Alexander Ewing,	Jefferson College.
Stephen Riggs,	Ditto.
Joseph Templeton,	Ditto.

The Curator of the Seminary reports a balance in the treasury, for contingent expenses, at last report, - - - - - -	$35 60¼
Received during the year, from various sources, - - -	134 92
Expended in various ways, - - - - - -	163 40
Leaving a balance in the treasury of - - - - -	7 12¼

And that twenty-four students have not settled their accounts with the contingent fund, amounting in all to $162 00.

The Board are gratified in being able to state, that Dr. Elliott, who was chosen by the last General Assembly to the professorship of ecclesiastical history, has, after much deliberation, accepted the appointment. Dr. Halsey, who has, since his first connexion with the seminary, conducted both the departments of ecclesiastical history and didactic theology, having expressed a desire that he should be transferred to the chair of ecclesiastical history, and Dr. Elliott to that of theology, the Board recommend this transfer to the action of the Assembly. With this organization of the seminary, the Board believe that the institution will prove a great and extensive blessing to our churches.

The Board of Directors would also state to the General Assembly, that in their opinion the interests of the seminary would be promoted by a transference of its supervision and direction to the Synod within whose bounds it is located, if the said Synod should be willing to assume that responsibility, and they therefore respectfully request the Assembly to adopt a resolution authorizing the Board to accede to such a change, if the necessary arrangements can be made with the Synod of Pittsburg.

From the reports of examining committees at various times, the Board have pleasing evidence of the industry of the students, the fidelity of the professors, and the soundness of the doctrines taught in the institution. No progress has been made during the past year in the completion of permanent professorships, or of the seminary buildings; and the money necessary for the support of professors, has been raised by special agencies in the Presbyteries of the Synod of Pittsburg. The Board have, however, recently appointed a general agent, who, it is hoped, will complete speedily the whole pecuniary arrangements for placing the institution on the most substantial foundation.

The Board request from the Assembly, for the different purposes of the seminary, the sum of four thousand five hundred dollars.

We have only further to report that the term of service of the following persons expires during the present sessions of the Assembly, viz.—Drs. F. Herron, Ashbel Green, M. Brown, D. Elliott; and Messrs. Elisha Macurdy, E. P. Swift, John Stockton; Elders Harmar Denny, John Hannen, and Hugh Campbell; and that the Rev. A. D. Campbell, being appointed general agent for the seminary, and instructor in church government and discipline, has resigned his seat in the Board.

All of which is respectfully submitted,

By order of the Board.

D. H. RIDDLE, Secretary. F. HERRON, President.

REPORT

Of the Board of Directors of Union Theological Seminary.

The Board of Directors of Union Theological Seminary, respectfully report to the General Assembly,

That during the past year, twelve students have been received into the Seminary.

The whole number connected with the Seminary during the year has been twenty-eight.

The Faculty continues as per last report.

The Rev. Benjamin M. Smith, who has served in the capacity of Assistant Teacher of Oriental Literature, to the entire satisfaction of the Board, for two years past, has left the institution for the purpose of further prosecuting his studies in foreign universities.

The Board have again employed the Rev. Elisha Ballantine as Assistant Teacher of Oriental Literature. Mr. Ballantine's travels in foreign parts, and the advantages he has enjoyed while prosecuting his studies in Europe, added to his former reputation as Assistant Teacher in this department, give promise of great usefulness to the Seminary.

The general health of the institution has been good. But notwithstanding the salubrity of our climate, and the advantages which our situation affords for the preservation of health; the Board have been informed by the Faculty, that there is a general failing of the vigour of the constitution during the Seminary course; an evil much to be lamented, and for which no remedy presents itself to the Board. It is an evil so general in Theological Seminaries, affecting so deeply the interests of the church at large, that, for its removal, the best efforts and the sanctified wisdom of the General Assembly might be well employed.

It is gratifying to the Board to report, that they learn from the report of the Faculty, that among the students there has been, during the year, a manifest growth in grace, and an unusual prevalence of brotherly love and Christian confidence. There is, among the students, a spirit of personal devotion to the cause of foreign missions, which, from our isolated position, and the many domestic claims about us, could scarcely be expected.

The deficiency in the funds has a depressing effect upon the institution; but the Board still have confidence in the churches and friends of the Seminary, that, prompted by the great Head of the Church, they will, ere long, supply this deficiency; complete the Professorships; and enable the Board to make the necessary additions to the library.

By order of the Board,

April, 1836. J. H. C. LEACH, Secretary.

REPORT OF THE TRUSTEES OF THE GENERAL ASSEMBLY.

To the General Assembly of the Presbyterian Church in the United States of America.

The Board of Trustees respectfully state that they have directed their Treasurer, agreeably to the provisions of the ninth section of the Charter of Incorporation, to lay before the General Assembly an exact state of the accounts of the corporation. The cash accounts of the late and present Treasurers of their receipts and expenditures for the past year, have been examined by a committee of the Trustees appointed for that purpose, who have certified that the same are correct, and supported by vouchers. The committee have also examined the certificates of bank stock, and other securities in the Treasurer's hands, and have certified the same to be correct, agreeably to a list attested by them. The accounts have been also regularly posted in the leger, under the several heads of account for the different funds under the charge of the Trustees, and balanced to the 1st May, 1836, agreeably to the balance sheet of that date. Of Bridge company stock (devised,) at par, - - - -	1,100 00
	$161,629 80

On the 23d of May, 1833, the Trustees made a detailed report to the General Assembly, exhibiting the state of the funds, the difficulties under which they laboured, and the deficiencies which had arisen, owing to the General Assembly having anticipated the means furnished by the churches, and their having appropriated annually for contingent expenses, and for the support of the Theological Seminary at Princeton, larger sums than were received for those objects. The Trustees having repeatedly exercised the power delegated to them by the General Assembly of borrowing money to supply deficiencies, had been obliged, in order to pay the appropriations made by the General Assembly, to borrow of the permanent funds, and this in a measure reduced their annual receipts from those sources. Under these circumstances, the annual income being very inadequate to the necessary expenditures, a committee of the General Assembly, to whom the report of the Trustees was referred, on the 27th of May, 1833, made a report, recommending certain resolutions, which were adopted by the Assembly, among which was the following—

"That the Trustees be requested to consider whether safe investments of the funds, or a part of them, may not be made, so as to produce a higher rate of interest than they now yield; and if so, they are advised to endeavour to effect a change of stock."

In compliance with the above resolution, the Trustees appointed a Committee of Finance, clothed with authority to make such changes in the investments as they might deem advantageous; who, on the 2d of April, 1835, reported to the Trustees that they had made sale of the following stocks, belonging to the different funds, viz.

43,000 dollars Pennsylvania 5 per cents, - - - -	$46,456 25
25 shares of Philadelphia Bank stock, - - - -	2,675 50
420 do. United States Bank, - - - -	45,474 46
Cash received from the Treasurer, - - - -	1,553 84
	$96,160 05
Off, paid commission,	236 50
	$95,923 55

And that they had invested the amount in the following stocks—

250 shares, Merchants' and Manufacturers' Bank of Pittsburg, -	$14,267 25
100 do. Merchants' and Mechanics' Bank of Wheeling, - -	10,000 00
100 do. Bank of Louisville, - - - - -	10,500 00
150 do. Union Bank of Tennessee, - - - -	15,225 00
100 do. Bank of Mobile, - - - - -	11,000 00
100 do. Planters' Bank of Mississippi at Natchez, - -	11,050 00
200 do. Agricultural Bank of Mississippi at Natchez, -	23,627 28
Paid commissions,	254 02
	$95,923 55

The above investments were deemed by the Finance Committee to be safe, two of the members of the Committee having invested in several of the above banks large portions of their private funds. The annual income afforded by the stocks sold, at from 5 to 7 per cent., was $5,240 00; that expected from the new stocks, at the accustomed dividends of the banks of from 8 to 10 per cent., which has been hitherto justified by the event, was $7,900 00, yielding an increase of annual income of $2,660 00.

The Pennsylvania 5 per cents sold, cost $43,181 00, and were sold (deducting commissions,) for $46,340 11, making a gain of $2,159 11. The United States Bank stock was sold when the question of the expiration of its charter appeared to be settled, nor could human foresight anticipate the favourable change which has taken place in the concerns of that institution. The stock sold, cost $50,019 77, and was sold, deducting commissions, for $45,360 82, making a loss of $4,658 95. It would be worth, at the present market price, $51,660 00.

During the months of April and May of the past year, the Committee on Finance sold $20,000 00, Lehigh Coal and Navigation Company 5 per cent. stock, for the sum of $19,551 00, deducting commissions, of which sum they invested $19,106 25 in 200 shares of the Planters' Bank of Tennessee, and paid the balance, $444 75, to the Treasurer of the Trustees. On the 24th of December, 1835, they sold the house No. 81 South Second Street, Philadelphia, the nett income of which was very small, for $7,000 (a larger sum than was bidden for the house at public sale,) of which $3,000 00 were paid in cash, and $4,000 secured by bond and mortgage at 6 per cent. On the 10th of March, 1836, they sold two shares of stock of the Bank of Pennsylvania, for $1,058 00, and 34 shares of the Farmers' and Mechanics' Bank, for $2,380 00, making together the sum of $3,438 00. They invested $8,000 00 in paying up $3,000 00 instalments, due on the stock of the Planters' Bank of Tennessee, and in the payment of $5,000 00 for fifty shares of additional stock in the Merchants' and Mechanics' Bank of Wheeling.

The increased income obtained by these sales and investments, is as follows—

The former income was on		
20,000 dollars, Lehigh Coal and Navigation Company 5 per cents, at 5 per cent.,		$1,000 00
Dividend on two shares, Pennsylvania Bank, at 8 per cent.,		64 00
Ditto, 34 shares, Farmers' and Mechanics' Bank, at 8 per cent.,		136 00
Nett income of house No. 81 South Second street, for one year,		342 14
		$1,542 14
The present income is estimated as follows—		
Dividend on 200 shares, Planters' Bank of Tennessee, at 9 per cent.,		$1,800 00
Dividend on 50 shares, Merchants' and Mechanics' Bank of Wheeling, at 10 per cent.,	$500 00	
Deduct 10 per cent. on $1,117 25, invested from the cash funds of the Trustees in this purchase,	111 72	
		388 28
Six per cent., on $4,000 00, bond and mortgage of Gebhard Harris,		240 00
		$2,428 28
Former income,		1,542 14
Increase,		$ 886 14
Increase on former purchase,		2,660 00
		$3,546 14

The total amount of cost of the new bank stocks, is $123,029 80, and the present market prices of the same amount to $128,050 00.

Since the report of the Trustees to the General Assembly, of May 23, 1833, the funds under their charge have been in a course of gradual amelioration. A loan from Mr. Solomon Allen, of $2,400 00, for the contingent expenses of the General Assembly, has been nearly repaid from the proceeds of his sales of the Psalms and Hymns; the balance due him, according to his statement on the 28th of April last, being $212 36. The sum of $2,671 09, has been invested in stock from the cash funds of the Trustees, which has been applied towards reducing the deficiencies in the permanent fund of the Theological Seminary, and the Students' fund, and in the investment of stock to the amount of $700 00, for the ED Scholarship, the capital of which had been borrowed

for the contingent expenses of the General Assembly. The income of this Scholarship has been regularly paid.

The income of the permanent funds of the Theological Seminary, as at present invested, together with the contributions from the churches, have enabled the Trustees to meet the increased appropriation of the General Assembly for professors' salaries, of $6,800 00, and to pay off the amount of arrears of the previous year, of $1,977 77, the salaries being now paid to 1st of May, 1836. The Trustees have also made one payment for six months, at the rate of six per cent. per annum, on the amount paid upon each scholarship, on which they receive dividends of stock, which is more than had been paid for several years.

During the past year the Trustees have received a certificate of ten shares of stock in the United Passaick and Hackensack Bridge Company, amounting at par to $1,000, bequeathed to them by the late Dr. John R. B. Rodgers, together with back dividends on the same, amounting to $225 00. They have also taken measures for the recovery of a bequest of $1,500 00, by the late Mr. Thomas Arden of New York.

On the 1st of May, 1835, the amount of stock and other securities invested, was $152,159 16. On the 1st of May, 1836, it was $161,629 80, including $7,000 00, proceeds of the sale of the house No. 81 South Second street.

As stated in the report of the Trustees to the General Assembly, of 23d of May, 1833, considerable deficiencies still remain in the permanent fund of the Theological Seminary, owing to the overdraughts of former years, and to this fund never having been adequate to the object for which it was intended. The Trustees rely on the efforts of the General Assembly, and the liberality of the churches, to furnish such means as may enable them to place the funds of the Seminary on a secure and permanent footing, and to continue their annual contributions for professors' salaries. Should these be liberal, the increased appropriation for those salaries may be met, and the sums borrowed from the Permanent fund be gradually repaid.

The magnitude and importance of the trust confided to the Trustees, has led them to deem it their duty to make to the General Assembly the foregoing exposition of its concerns; and the great responsibility which rests upon them in relation to the investment of its funds, induces them to commit to your venerable body a decision on the course adopted by the Trustees, in compliance, as above stated, with a resolution of the General Assembly, in relation to the investments made in Bank stocks with a view to increased revenue. These investments have been considered by the Committee of Finance to be safe as well as productive. But if the General Assembly should be of opinion that all investments of their funds should be made in those securities of real estate or state stocks, which courts are wont to authorize in cases of trusts, the Trustees request their direction to that effect. In that case, an annual income of more than 5½ per cent., on the amount invested, could not be obtained, and a yearly deficiency, exceeding $3,000 00, would arise in the payment of salaries of professors, and income of scholarships, which it would be necessary to provide for in some other way, or the sums now appropriated could not be paid.

The Treasurer of the Trustees will attend the General Assembly, and will give such explanations and further information as they may require.

By order of the Board.

May 10, 1836. JAMES BAYARD, Secretary.

At a meeting of the Board of Trustees of the General Assembly of the Presbyterian Church in the United States of America, it was

REPORT OF MR. GEORGE FLEMING, ON THE PSALM AND HYMN BOOK.

Carlisle, May 24th, 1836.

To the Moderator of the General Assembly of the Presbyterian Church.

Rev. Sir,

Agreeably to a resolution of the last Assembly, empowering the Stated and Permanent Clerks of that body, to procure the transfer of the copy-right and plates of an arranged edition of Psalms and Hymns, owned by me, to the Trustees of the Assembly, I repaired to Philadelphia last June, and made the requested transfer to Dr. Ely, (Dr. McDowell being absent from the city). Agreeably to the terms of that arrangement, the plates and copy-right were transferred to the Assembly, without any advance of money on its part for the price thereof. They were to be paid for out of the sale of the work. I was to be the agent of the Assembly for publishing them, and to be allowed ten per cent. on all money necessarily expended in the publication, and for superintending the same, and six per cent. interest on the price of the plates, &c., until they were paid for out of the sales. All the profits of the publication, beyond the per centage allowed, to belong to the Assembly, and to be applied, in the first place, to pay me for the plates, &c., and after that, to be paid over to the Treasurer of the Assembly.

Presuming that a report of the operations with this publication will be expected, I have sent you this communication, embodying the facts in the case.

It was in the month of July last, that the transfer of the plates was made to the Assembly. Not being a resident of any commercial emporium, where the business of bookselling could be carried on with efficacy; with the approbation of one of the committee, (the other member being absent) and of several Presbyterian Clergymen in Philadelphia, I put the work into the hands of an extensive bookseller in Philadelphia, Mr. Joseph Whetham, to issue the publication for the Assembly. It was considerably advanced in August, before any books were ready for market. Since that time up to the 16th of this instant, there have been printed and disposed of, 5750 copies; the paper, press-work, binding and commission on which amounted to $1,338 06.

Credit.

From present indications, there is reason confidently to believe, that the profits on the sales the coming year, will liquidate the above balance, and leave something to go into the funds of the Assembly.

All which is respectfully submitted.

GEORGE FLEMING.
